DICK WALTERS, TYPO.

How He Triffed with the Capital of a County Office Staff.

Dick Walters, printer and stagedriver, broken down by a long and painful illness, has been in town for several weeks, looking after some property left him by his mother. The Kincardine *Review* tells the following story of Wal-ters ss he was a quarter of a century ago:

"We remember Dick Waltars, we lieve. If the man we think he is, he used to drive a stage. And it strike us he was handling the reins between Kincardine and Southampton about the time the event we shall speak of transpired. Of course, Dick Walters also drove 'bus in Goderich and has ever shown a fondness for the noble auimal time, without any stors, and before the umpire could whistle a bar of "Rule Dick was a good compositor. Some 25 years ago a paper was publisheed in Southampton called the Star or Morning

Star, if cur memory serves us. Dick, covered with hayseed, wandered into the office and affected great astonishment at the incomprehensible character os the work performed by the typesetters. The compositors guyed him considerably. Finally, he professed to The following men toed the home plate uring the afternoon :-- regard tho work as light, easy, trivial, readily performed, requiring little, if any, S. Malcomson W.
