the bedroom than the Bed itself, is
there? From the point of usefulness
or ornament it ranks first. Does your

the sleep-comfort you need? No?
Well, then it's time to discard it and get
another, quick.

We are showing All-Brass, Brass and

sizes and very fine designs. Each and
all of which Beds can be fitted with

If a Testator

although seeing the benefits to be derived from a Trust Com-
pany's administration, hesitates about cancelling any appoint-
ment he may have already made, the Montreal Trust Company
can be named to act with the Executor or Executors already
appointed. In this way the Trust Company co-operates with the
Testator's appointees in the administration of the Estate.

This plan is very acceptable when the Testator's wife is named
as Executor. Few women have the necessary business training to
enable them to carry on the administration of an Estate, but
with the co-operation of the Montreal Trust Company the Test-
ator's wife can be appointed with full assurance that the Estate
will be well looked after.

One thing essential in your Winter Coat is QUAL-
ITY. One has to wear their Winter Coat for many
months, and to stand against this you require the best
of material in it.

We have carefully selected our stock of Winter
Coatings and feel we have goods that merit your ap-
proval. You can purchase enough excellent material
to make a coat for \$24.00, and if you wish we can make
it up for you, and deliver the finished garment in a
week or less if necessary. The material is equal in
quality to that in coats which retail at \$70.00 to \$90.00.

We ask you to come in and see the goods, examine
them, get samples and prices, compare with others, and
come back and purchase the goods.
