PLAN TO UNITE TWO OFFICES OF EDUCATION BOARD

LONDONERS SPLIT **AS WETS CONTROL ALBERTA BY VOTE**

J. M. Donahue Glad People of West Return to Sane Thinking.

SEES CHANGE HERE

The decision of Alberta, the prov ince that holds the ranch of the Prince of Wales in High River, to go back from complete aridity to a status where the government will control the sale of liquor and where beer will be sold by licensed hotels is met in day in comment: "I am glad to see the office of secr the people of the west getting back will be discussed.

rulng conditions and who have been opposed to any form of interference with absolute prohibition, view the Alberta Niagara with misgivings in private but without any statements for publication. They feel in general that the cause has been betrayed in some measure that is beyond their understanding, but believe also that in the not too distant future the tide will turn again and that prohibition will come back stronger and more firmly entrenched than ever in public cophinon, and that with its second advent it will come to stay and to remain as one of the final decisions in the minds and the legislature of the Province of Ontario.

Satisfactory at present, owing to the growth of education in London and the fact that expenditures now reach solution of the two offices, a trial balance would be struck once a month, thereby putting the trustees in a position to know just what amount had been expended and what remained.

Several recommendations in connection with the proposed change will be introduced tomorrow and discussions in the not too distant future the tide will turn again and that prohibition will come back stronger and more firmly entrenched than ever in public cophinon, and that with its second advent in the minds and the legislature of the Province of Ontario.

Satisfactory at present, owing to the growth of education in London and the fact that expenditures now reach blance out that with the comolition of the two offices, a trial blance would be struck once a month, thereby putting the trustees in a position to know just what a complete surmonth, thereby putting the trustees in a position to know just what a complete surmonth, thereby putting the trustees in a position to know just what a complete surmonth, thereby putting the trustees in a position to know just what a complete surmonth, thereby putting the trustees in a position to know just what a complete surmonth, thereby putting the trustees in a position to know just what a complete surmonth and been expended and what remained.

The act governing the

GRAHAM CONFERS ON PLAN OF EMPIRE WIRELESS CHAIN

Associated Press Despatch London, Nov. 5.-Sir Laming Worthington-Evans, British postmaster-general, and Hon. George P. Graham had a conference today on the subject of the imperial wireless

chain.

In regard to the difficulties which have arisen in connection with the establishment of British stations, Mr. Graham took the view that these were entirely a domestic matter for Great Britain to deal with. So far as Canada was concerned, she had given a license to the Marconi Company, and saw no reason for a change of policy.

tion that may possibly be asked for by the trustees may be available when wanted. At present, sometimes a request for information comes up which is not filled until some time later.

The additional duties that would be taken care of by the secretary would be the purchasing of all supplies and payment for same, the supervision and care of the banking account,

City Board of Education Wants Its Own Treasurer; May Move to Make Change

Capture Liquor

Worth \$375,000

Jacksonville, Fla., Nov. 6 .- The

Jacksonville, Fla., Nov. 6.—The British auxiliary schooner Louise F. was captured after a three-hour chase yesterday by federal authorities and 3,900 cases of liquors, valued at \$375,000, were seized, the officers reported on their return here tonight. The capture was effective within the twelve mile limit off South Pablo beach, and the captain. H. A. Johnson, of Harbor Island Brit.

Johnson, of Harbor Island, Brit-ish West Indies, and six members

of the crew were arrested. They are being brought to Jacksonville, where they will be charged with violating the customs laws and the national prohibition law, officers said.

been called for Thursday night next, when the proposed bylaws for a new city hall on the McCormick site and a dam at Springbank will be definitely A third opinion is that Mr Churchill drafted, and upon that occasion the would be unlikely to contest for a seat in the Glasgow central division, where the Liberals made a time to the council's actitude last night relative to the council section of the cou issue, branding it "a pretty raw deal."

DATE OF CONFERENCE TO BE SETTLED TODAY

Methodist Committee Meets in Wesley Hall This

The time and place at which the It is proposed, at a special session this afternoon, to inaugurate London's municipal garage—without the public utilities commission.

Ald. Douglass, chairman of the civic garage committee, stated that practically a full attendance, the con-ference special committee, which forms the executive body for all Methodist districts included in the

this can be accomplished without a vote of the people or any addition to the tax rate. Any expense will be charged against the works department, he explained.

The proposal is to store all equipment, watering carts, tools, etc., at the city's paving plant, East London. At the present time they are scattered throughout the city. With the approval of the council, the committee will place all under one lock and completely readjusted.

The church union committee will meet also, and it is expected that a

number of important recommenda-tions will be drawn up to be submited to the general board. This morning, the discussion dealt argely with matters in connection ith conference finance. Some readjustment was necessary with regard to the payment of conference ex-penses annually. A debate on details penses annually. A debate on details of this was adjourned until this af-

or this was adjourned until this afternoon's session.

Among resolutions of sympathy passed by the special committee was one to the Rev. W. W. Wickett of London, who met recently with a serious accident, and is now confined to a local hospital.

EMPHASIZES NECESSITY

Mayor Offers To Find Hundred Citizens Ignorant of Western Fair.

They once referred to "people who didn't know that the Civil War was over."

But Mayor Wenige was responsible for the declaration today that "he could locate a hundred bona fide citizens who didn't know that there was a Western Fair in London."

The mayor was emphasizing the

was a Western Fair in London."

The mayor was emphasizing the need for continually impressing upon the minds of the people any particular project. He referred particularly to the city hall vote and the manner in which it has been submitted to the people upon many occasions in past years.

His worship insists that it shall be included upon the ballot that while a request is being made for another \$500,000, about one-half of this is in sight at this moment; either cash at hand, or property, including the present city hall, that can be sold, with the permission of the Ontario Legislature, already secured.

COMPLETE EVACUATION.

BE NOMINATION

Officials Anticipate the Largest Municipal Vote in the History of City.

ADD MANY NAMES

Nov. 19 is nomination day. From 10 a.m. until 11 a.m. nom nations will be received by City Clerk Sam Baker in the city council chamber of the city hall for the mayoralty hospital trust and public utilities

commission. From 12 o'clock noon until 1 p.m the same day, nominations will be

It is said by some that Mr. Asquith has completely lost hold of the Liberals through lack of energy; that the distrust of Mr. Lloyd George by the Independent Liberals is unconquerable, and that Mr. Churchill is the only man qualified to reunite the party.

The Conservatives have not yet chosen their candidate for the central Glasgow seat. Labor's representative will be E. R. Mitchell, the local lawyer, who ran fairly close to Mr. Bonar Law in the last election, when Labor captured ten of

of names, mostly women, added to the list.

This is the last day for persons who desire to appeal in connection with the voter's list. No appeals will be accepted by City Clerk Baker after

Appeals will be heard at the Middlesex County courthouse Nov. 14 commencing at 10 a.m.

DECEMBER SESSION IN ALBERTA LIKELY

Expect Legislature To Enact Law To Regulate Government Liquor Control.

Canadian Press Despatch.
Edmonton, Nov. 6.—It is altogether likely that the Alberta Government likely that the Alberta Government will decide upon a December session of the legislature to deal with the problem of enacting a law to regulate problem of enacting a law to regulate government control and sale of liquor in accordance with the verdict of the people in yesterday's referendum. Neither Premier Greenfield nor At-torney-General Brownlee would comment on the result late last night.
"I have absolutely nothing to say
until the final returns are in," the That a December session would be

held was indicated by private mem-bers of the United Farmers' party in bers of the United Farmers' party in unofficial statements during the last two weeks. It was apparently realized that enforcement of the present prohibition law could not be successfully carried on for any considerable length of time if the system of government control was indorsed by the people.

GUARD KILLS CONVICT FLEEING PENITENTIARY

Prisoners Attack Pennsylvania Prison Attendants and Try For Freedom.

Associated Press Despatch.
Philadelphia, Nov. 6.—One convict
was shot and killed and three others escaped from the Eastern States penitentiary last night, when four long term prisoners made a break for liberty after attacking two guards.

for liberty after attacking two guards.
Two of the fugitives were captured within two hours after the break and the third was reported surrounded by police within a few blocks of the prison. His capture was said to be imminent.
The prisoners, Joseph Lorimer, Francis Joseph Flynn, Emil Bridelm and George Dubac were doing care. Francis Joseph Flynn, Emil Bridelm and George Dubac, were doing carpenter work in the administration building, when they suddenly attacked Hugh O'Neill and Joseph Gilbert, guards, with blackjacks. O'Neill was knocked senseless and Gilbert then opened fire, one of his bullets fatally wounding Lorimer, who died a few minutes later. In the confusion the other three convicts grabbed O'Neill's pistol and the keys to the main gate of the prison and made their way to the street.

Delegates at Economic Conference Adopt Attitude of Watchful Waiting.

By GEORGE HAMBLETON.

Canadian Press Cable.
London, Nov. 6.—The much-adjourned discussion on the British preference proposals will be continued before the economic conference today, following the disposal of the committee reports and the question of the creation of a permanent economic

The Canadian delegates at the economic conference have had pre-pared detailed information showing the bearing on Canada of the British preference proposals so far as sub-mitted, and there is considerable curiosity as to what modifications, if any, the Baldwin government in-tends to make to such proposals as a result of recent pronouncements by the British prime minister. Canada in the matter is continuing her policy of "watchful waiting." So far the Canadian representatives have no counter proposals, but should any further British proposals be presented to warrant such a course modifications may be suggested. Avoid Interference.

part of the Canadian representatives not to do anything which might be interpreted in the slightest degree as not to do anything which might be interpreted in the slightest degree as interference in the hot fiscal campaign, which already has opened in British politics.

While the correspondence control of the single properties of ritish politics.
While the economic conference con-

tinues its deliberations a committee will consider the Spahlinger treatment of tuberculosis. Dr. Spahlinger. the Swiss discoverer of a serum and vaccine for the treatment and alleged cure of tuberculosis, has been in-vited to attend a meeting of the committee. It is questionable, however if the conference will be in a posi-tion to take up seriously the question of giving financial aid to Spahlinger in order to make available his serum and vaccine, which is the point at issue. The view will be taken probably that financial assistance lies outside the scope of the conference

No Decisions Reached. Following the meeting of the economic conference today the main imperial conference will discuss generally the business still before it, in-cluding the foreign policy, and possibly the question of Dominion par-ticipation therein. A number of suggestions have been made in the latter regard, but so far no decision has been reached. Something may be done with respect to keeping the Do-minion governments better informed ages. on the course of foreign affairs than has been done, but no great change in the constitutional relations of the until at completion, the whereabouts

ence will likely see the adoption of a number of formal resolutions, alin the city was taken last year. This though they may not be issued until after the conference is concluded.

The resolutions, it is expected, will was under 16 years, the age when cover such matter as the right to search for liquor within a twelve-mile limit of the United States coast and also the treaty-making powers of the dominions.

LOSS OF LIFE IS HEAVY

Associated Press Despatch.
Mexico City, Nov. 5.—Heavy loss
of life, due to cloudbursts and floods,
is reported from the Mixtrea Alta region of the State of Oaxaca, and from Mixtrea Baja, State of Puebla. Newspaper despatches say that hundreds of lives were lost in the

Mixtrea Baja region.
Villages situated along the banks of streams are reported to have been swept away, and others located in the lowlands overwhelmed when a series of terrific rainstorms sent devastat-ing floods from the mountains down into the agricultural districts.

ASK ARBITRATOR. Associated Press Despatch.
London, Nov. 6.—Former Premier
Venezelos, says an Exchange Telegraph despatch from Athens, is to be asked to act as arbitrator in the confusing situation that has grown out the foundations of the structure of

PRESENT STAFFS IN CITY PLANTS

Unemployment, If Any, Will Be Caused by Outsiders Flocking to City.

SWISS REQUESTS AID WORK PLENTY NOW

"Unemployment in London this winter will be very largely a matter of how many outsiders come into the city in the winter, and how much seasonal work is done by contractors and other employers of labor." is the opinion of London manufacturers, None of them expected to lay off any men or girls, as they have already reduced their staffs to a size commensurate with the winter production. They feel that as there is not a great deal of unemployment now, any added number of idle mer

Some of the contractors were able to keep most of their help all last winter by having buildings to work on that had cement floors and cement work under cover, so that the frost did not affect them. While there are not many large public buildings in ent, like Mr. Micawber, the builders sight in the architects' officer at very sight in the architeces' offices at pres-There is an obvious desire on the are hoping for something to turn up.

In the government labor bureau the wage. The city scheme of doing take care of a number of men who are bona fide residents of Lone ever conditions may result this winter, which is not expected to be any more severe than in previous years.

PREFERENCE PROPOSALS Bloemfontein, South Africa, Nov. 5 The Friend newspaper, commenting on the question of preferential treat-ment for the dominions in the British market, says the need of Great Britain for untaxed food and raw materials makes any full preference plan impossible. If a workable and pain impossible. If a workable and acceptable compromise between Great Britain and the dominions is not reached, says The Friend, the latter will be forced to seek trade understandings elsewhere. This raises the question of the right of the dominions to enter into treaties with foreign countries, therefore, it puts the high-est status of the dominions to the

of the discussions over the form of empire, and a way out is imperative," the Greek government.

An occasional dose of DR. CALDWELL'S LAXATIVE SYRUP PEPSIN Keeps young girls fit

False Modesty Wrecks Health

THE young lady just assuming the responsibilities of a woman is very apt to be self-conscious of her physical functions, and in consequence neglect them. There is no time, however, when it is more important for her to look after them. Chief among her troubles is constipation, and her suffering will be serious when she gets older if she does not regulate her bowels now. Mrs. J. Charbonneau, 3410 Adam, Montreal, recommends Dr. Caldwell's Laxative Syrup Pepsin to all her friends, and Mrs. Henry Joyce, Croton, Ont. says it is the best remedy for constipation she ever used. A dose can be given in these conditions to any member of the family however young or old as Laxative Syrup Pepsin is a simple compound of Egyptian senna with pepsin and pleasing aromatics, and perfectly

Let mothers with growing daughters interest themselves in this matter and see that their judgment is enforced. A rule followed by many is to take a spoonful of your medicine chest.

Dr. Caldwell's Laxative Syrup Pepsin once a week until the bowels function daily, and at such other times as there is headache, biliousness, sores and fever blisters, lack of energy and appetite, sleeplessness, indigestion. Safe for Young and Old

Public Recognizes Merit
You will quickly see the difference between a mild laxative like
Dr. Caldwell's Laxative Syrup Pepsin and castor oil, or rough cathartics and physics. Syrup Pepsin acts gently and does not gripe. Increased doses are not necessary. A bottle can be had at any drug store, and a spoonful costs less than a cent. It has been successfully used for thirty years and is the largest selling liquid laxative in the world, over 10 million bottles having been sold in drug stores last year. Keep Laxative Syrup Pepsin in your medicine chest.
