

### WARNING!

The death of a munition worker recently occurred as a result of blood-poisoning from a slight cut. Now we are all more or less liable to accidents, both at home and at work, but we can protect ourselves against serious consequences by taking the proper precautions—that is by applying Zam-Buk immediately an injury is sustained.

Zam-Buk combines very unusual qualities. It is a strong antiseptic, and at the same time is very soothing and healing. It is therefore capable of ending the pain and destroying the poison in a wound before it heals it. Zam-Buk not only destroys all germs in the wound, but by protecting the sore place from the germ-laden air, keeps other diseases out. At the same time, the healing essence of Zam-Buk is the growing new skin which gradually covers the place, and a complete cure is the result.

There is nothing else known to science which will perform the healing miracles done by Zam-Buk. This is because of the secret herbal composition of Zam-Buk. Be prepared for any emergency by keeping a box of Zam-Buk always on hand. 50c. box, 3 for \$1.25. All druggists, or Zam-Buk Co. Toronto. Send 1c. stamp for postage and free trial box will be sent you.

#### POCKET TESTAMENT LEAGUE

The following has surprised Campbellton: A business man's wife suffered from dyspepsia and constipation for years. Although she dieted she was so bloated her clothes would not fit. ONE SPOONFUL buckthorn bark, glycerine, etc., as mixed in Adler-ka relieved her INSTANTLY. Because Adler-ka empties BOTH large and small intestines it relieves ANY CASE constipation, sour stomach or gas and prevents appendicitis. It has QUICKEST action of anything we ever sold. A. McE. McDonald, Druggist, Campbellton, N. B.

A very interesting and instructive union service was held in St. Andrew's Church on Wednesday evening, April 11th under the auspices of the pocket Testament League of Canada. The meeting which was representative of the Young People's Societies and Sunday Schools of the town was well attended and enthusiastic throughout.

Rev. Hugh Miller, presided, prayer was offered by Rev. W. Camp and Rev. G. M. Young read the scripture lesson. An appropriate duet by Mrs. A. McE. McDonald and Miss Ford was greatly enjoyed. The Rev. H. Miller then introduced the speaker of the evening, the Rev. S. D. Dinick, general secretary of the Pocket Testament League of Canada, who certainly created an attention in the minds of all who heard him that he was the right man in the right place. His address was replete with facts and figures descriptive of the splendid progress of the movement and fairly bristled with practical incidents and illustrations of the power of the Pocket Testament not only to produce greater love for the Scriptures but also to enlist young men and women in personal service for Christ in Canada—its members being now numbered up in the thousands.

### THE SAME AS BURNING \$1 BILLS

#### PTE. CLIFFORD NOBLE

\$1,275.61 Realized in Nine Months for

Old Papers

(Halifax Recorder)

During the last nine months the Women's Council have been engaged in a paper-saving campaign for patriotic purposes. They have in that time rescued from furnaces, grates and stoves a portion of the paper formerly burned. This has been sold for \$1,275.61. To waste and burn paper needlessly is the same as burning up \$1 bills. The Women's Council have received 1,275 of these \$1 bills during the last months, but much is still being thrown into our fires and garbage carts. The amount named could no doubt be doubled if all householders would give their assistance. All work in connection with the scheme is voluntary, except the wages of the man in the warehouse who takes the paper. He has been paid \$400.

Other expenses have been \$15.00, leaving a balance of \$800 in the bank. The particular patriotic object or objects to which this will be given will be decided at the meeting of the council next week. When the public are informed of the purpose to which the money is to be given, and realize what can be done with it, it is expected a further impetus will be given to the work of saving. Many people think that the little they have is not worth saving, but if a box or bag in which all old newspapers, wrapping paper, old magazines, books, cardboard boxes are kept, the result will be surprising.

Other expenses have been \$15.00, leaving a balance of \$800 in the bank.

On March the first the Observer published among the engravings of Penbrooke boys serving overseas a picture of Pte. Clifford Noble little thinking that on the day the picture appeared this bright young man had laid down his life as a sacrifice for the ideals which he bravely went forth to defend, but such was his case, as his mother, Mrs. G. B. Emsworth received from the officer in charge of the record office at Ottawa one of those faithful missives which have brought grief to so many Canadian homes advising her that her soldier son had been killed in action on March 1st. Hers but a repetition of the trying experience through which many Penbrooke mothers have passed within the last two years. The news was broken to her as gently as possible by her pastor, Rev. A. T. Jones, yet it came as a piercing shock and hers will be the sympathy of the community in a sacrifice which those of us who have not been called upon to pass through can hardly realize.

Clifford Noble was Mrs. Emsworth's

PTE. CLIFFORD NOBLE. Killed in Action.

fourth son by her first marriage. He was in his 24th year, a young man of good physique and splendid character for whom the future held forth every promise.

Pte. Clifford Noble was born in Dawsonville, N. B. His father died when he was a child. Some nineteen or twenty years ago he went to Fredericton and stayed with his aunt for a few years and then he returned to Dawsonville. His mother and step-father then went to Penbrooke to live and in 1913 Pte. Noble went to see his mother and remained there until the war broke out when he enlisted with the guards at Petawawa and in the spring of last year was transferred to the 130th Battalion with which he went overseas in September.

In England he was drafted into the 75th Battalion and he crossed to France last fall.

Killed in action tells the remainder of the story and is a noble, fitting inscription which to enshrine his memory on this page.

Besides his mother he leaves his step-father, two brothers, Archie and David in Brunswick, two sisters, Misses Elsie and Annie nurses in training at Verdun, Que., as well as two half brothers and one half sister at home. Another brother was killed while working in Richard's mill at Campbellton in 1912.

Pte. Noble's letters home, many of which were no doubt written under most trying circumstances were always most cheerful in tone and he always accepted the hardships of military life with a philosophy that helped him under all conditions. Particulars as to how death came to him are of course not yet to hand but it may be safely taken for granted that he met it unafraid and that to the last he did his duty as he did it when he first donned the uniform in response to the promptings and impulses which are inseparable from true manhood.
