

Chest Inflammation

Suffered From a Heavy Cold, Pleuritic Pains in Side—Constant Coughing.

"Anyone that goes through all that I suffered last winter will appreciate the value of a remedy that cures like Nerviline cured me." These are the opening words of the solemn declaration of E. P. Von Haydon, the well-known violinist of Middleton. "My work kept me out late at night, and playing in cold drafty places brought on a severe cold that settled on my chest. I had a harsh racking cough and severe pains darted through my sides and settled in my shoulders. I used different liniments, but none broke up my cold till I used Nerviline. I rubbed it on my neck, chest and shoulders, morning and night, and all the pain disappeared. Realizing that such a heavy cold had run down my system, I took Ferrozone at meals, and was completely built up and strengthened. Since using Nerviline I have no more colds or pleurisy, and enjoy perfect health."

Nerviline CURES CHEST COLDS

It's because Nerviline contains the purest and most healing essences and medicinal principles, because it has the power of sinking through the pores to the kernel of the pain—these are the reasons why it breaks up colds, cures lumbago, stiffness, neuritis, sciatica, and rheumatism. Refuse any substitute your dealer may suggest—insist on Nerviline only. Large bottles, 50c, trial size 25c. Sold everywhere, or The Catarrh Co., Kingston, Ont.

CHANNY FARM
KERWOOD
LINCOLN SHEEP, SHORTHORN CATTLE
Fifteen good registered ewes, from 1 to 4 years old, also fifteen choice Shorthorn rams, can spare a few lambs of both sexes; an extra good red bull calf nine months old and a few choice two year old heifers and better calves. An offering a bargain in the fifteen ewes as I wish to place them in small bunches with the option of buying their lambs at weaning time. On account of the tariff disturbance trade with the United States is dull this season and I think the present time very favorable to invest. All correspondence promptly answered.

A WONDERFUL CASE.

Three Months in Hospital and Came Out Uncured.

Zam-Buk Cured Him in Few Weeks.

Mr. Fred Mason, the well-known upholsterer and mattress manufacturer of St. Andrews, N. B., says:—

"I had eczema on my knee, which caused me terrible pain and inconvenience. The sore parts would itch and burn and tingle, and then when rubbed or scratched, would become very painful. When the knee got warm, it burned worse, and the itching and burning and smarting were almost unbearable. I tried various remedies, but got no better, so I decided to go to Montreal and take special treatment. I received treatment at the Montreal General Hospital for thirteen weeks, but at the end of that time I was not cured, and almost gave in. A friend advised me to give Zam-Buk a trial.

"Almost as soon as applied Zam-Buk I perceived with the balm, and it was soon evident that it would do me good. Each day the pain was reduced, the sore spots began to heal, and by the time I had used a few boxes of Zam-Buk I was quite cured.

"Since then Zam-Buk has cured blood-poison in my finger, and at a time when my finger was in such a terrible condition that I feared it would have to be amputated."

For eczema, blood-poisoning, piles, ulcers, sore abscesses, varicose ulcers, bad leg, cold sores, chapped hands, cuts, burns, bruises, and all skin injuries and diseases, Zam-Buk is without equal.

Snake in Partridge.

Brockville, Nov. 6.—A clergyman of Bishop's Falls shot a partridge and in dressing it made the peculiar find of a live green snake in the intestines. The mouth of the reptile was lodged near the stomach, and it was apparently sustained by absorbing a share of the bird's daily food. The partridge was fat and in good condition, although the snake measured over two feet in length.

Catarrh Cannot be Cured

with LOCAL APPLICATIONS, as they cannot reach the seat of the disease. Catarrh is a blood or constitutional disease, and in order to cure it you must take internal remedies. Hall's Catarrh Cure is taken internally, and acts directly on the blood and mucous surfaces. Hall's Catarrh Cure is not a quick medicine. It was prescribed by one of the best physicians in this country for years and is a regular prescription. It is composed of the best blood purifiers, acting directly on the mucous surfaces. The perfect combination of the two ingredients is what produces such wonderful results in curing Catarrh.

**Which is Your Choice?**

Stoddy, leaky wooden troughs, or clean, durable Concrete?

Wooden drinking troughs are about as reliable as the weather.

They are short-lived and require replacing every few years—not to mention continual patching to keep them in repair.

The best of wood cannot withstand, for long, constant dampness and soaking. Its tendency to rapid decay soon shows itself in leaks and stagnant pools of water around trough.

Contrast with this the durability, cleanliness and well-ordered appearance of Concrete.

Which?

The dampness which destroys lumber only intensifies the strength and hardness of Concrete.

You can impair a wooden trough with comparatively little use; but it takes a powerful explosive to put a Concrete water tank out of business.

Which

is your choice—expense-producing Wood, or money-saving Concrete?

We'd be glad to send a copy of our book, "What the Farmer Can Do With Concrete."—Free—if you'll ask for it. It tells the many uses of Concrete in plain, simple language—tells how to make

**RUPTURE**

J. V. EGAN, Specialist of Toronto

A WORD OF CAUTION.

Delay is the common error of the ruptured. You may have been ruptured some time and no change noticeable. But no rupture stands still. Even if not getting larger the bowel is growing fast to the inside and any day your ordinary truss is liable to slip while lifting or coughing and more of the bowel escapes. In such a case strangulated hernia may result in death. People come to me constipated, irritable, who seldom change this to rupture, but here is the cause. A rupture strains the whole physical organism and is a constant nerve irritant. Your rupture cured, you feel like a new being; your nerves recover their normal tone, your rundown condition replaced by vigorous health. Act now and remove the daily danger of death, which, like a thundercloud, hangs over every ruptured person. Don't delay, to suffer and die. Let me help you to live and enjoy life. What I have done for thousands the past fifty years I can do for you today. A weak to the fact that a cure means to you—viz., immediate security, comfort and a perfect physical condition. This is all yours today for the asking. Out-of-town patients consult me and return home same day.

Afflicted with rupture, displacement, weakness, lame back, stooped shoulders, corpulence or weakness after an operation can be permanently relieved by my latest invention, viz., "The Gossamer," which gives elegance and shapeliness to the figure and overcomes the direct causes of women's troubles.

J. L. Hilborn, Peachbluff Farm, near Leamington, has grown sweet potatoes successfully for several years. This year on a small piece of land he grew a large quantity. At a close estimate the land produced at the rate of 600 bushels per acre, and no special effort was made to fertilize them nor did they receive extra cultivation. One hill produced 12½ lbs. of beautiful potatoes.

The N. B. Howden Est.**Canadian Wheat Takes Prize.**

Montreal, Nov. 7.—The announcement of the winning by a Canadian farmer of the \$1,000 wheat prize of the big Land and Irrigation Show at New York has been received with much satisfaction by Sir Thomas Shaughnessy and other Canadian Pacific Railway officials.

In putting up the prize Sir Thomas openly showed his belief in the superiority of the Canadian wheat lands by throwing the contest open to farmers of all America, both United States and Canada, and he is greatly pleased that his faith in Canada has not been misplaced. The United States railways were by no means anxious to have the Canadian railways represented at the show, and a New York paper, commenting on the results, says that they were not to be blamed, as the Canadians captured the most important prize of the show.
