NOTICE.

WHEREAS a PARTY of persons, from Eastport, on Thursday or Friday, the 24th or 25th ult., landed from two or three large schooner boats, on a small island, Thimble, owned by me, but, at present without inhabitants, and breaking open the doors, made a forcible entry into the Dwelling House, proceeding, in the most malicious manner, to raise the windows on both floors, pulling down bell-ropes, breaking the glass, and, after doing serious injury to almost every part of the House, carrying off the bells from the kitchen. And whereas they also carried out, it is supposed for tables, a quantity of boards, &c. into the fields, where they trampled and rolled over the grass, laid down for hay—completely destroying about two acres of it—and, taking possession of an iron six pounder field gun, attempted to throw it over the bank into the sea; and, further, did considerable injury to the outhouses and doors, and left all the windows wide open—Now I hereby do give Notice that, if the aforesaid party—many of whom are known—do not, forthwith, make satisfaction to me for the damage done to my property, I shall lay a statement of all the facts before the proper authorities at Head Quarters, and claim redress at the hands of Her Majesty's Government.

JUDSON'S CHEMICAL EXTRACT OF

CHERRY AND LUNGWORT, FOR THE CURE OF Coughs, Colds, Hoarseness, Spitting of Blood, Night Sweats, Asthma, Liver Complaints, and CONSUMPTION.

DO NOT NEGLECT IT.
CONSUMPTION
Can be and has been cured in thousands of cases by this only certain remedy.
JUDSON'S CHEMICAL EXTRACT OF
CHERRY AND LUNGWORT,
and no remedy has ever before been discovered that will certainly
CURE CONSUMPTION.
The most strongly marked and developed cases of Pulmonary Consumption, where the lungs have become diseased and ulcerated and the case so utterly hopeless, as to have been pronounced by Physicians and friends, to be past all possibility of recovery, and at times thought to be dying, has been cured by this wonderful remedy, and are now as well and hearty as ever.—
It is a compound of medicaments which are peculiarly adapted to and essentially necessary for the cure of
COUGHS AND CONSUMPTION.
Its operation is mild, yet efficacious; it loosens the phlegm which creates so much difficulty, relieves the cough and assists nature to expel from the system all diseased matter by excretion, producing a most delightful change in the breathing and chest, and this, after the prescriptions of the very best medical men and the inventions of kind borrowing friends and Nurses, have failed to give the smallest relief to the Consumptive sufferer.

THOUSANDS OF CONSUMPTIVE persons have been deceived in buying medicines which were said to be infallible cures, but which have proved only palliatives, but this medicine is not only a palliative but a cure for ulcerated lungs. It contains no deleterious Drugs and one trial will prove its astonishing efficacy better than any assertions or certificates in curing consumption and all diseases of the Lungs, such as Spitting of Blood, Coughs, pains in the side and chest, night sweats, &c. &c. About 1000 certificates of almost miraculous cures, performed by this medicine, from some of the first Doctors, Clergymen, and Merchants, have been sent us for this medicine, but the publication of them looks too much like Quackery, [will show them to any person calling at our office.] This medicine will speak for itself and enough in its own favour wherever it is tried.
Caution.—This medicine is put up in a large bottle, and you must find the name of Comstock & Brother, Proprietors, New York, on the splendid Wrapper around the bottle. All orders must be addressed to Comstock & Brother, No. 9, John St., New York.

CARLTON'S RING BONE CURE.
For the cure of Ring Bone, Blood Spavin, Bone Spavin, Windgalls, and Splints—a certain remedy.

CARLTON'S CONDITION POWDERS FOR HORSES AND CATTLE.
The changes of weather and season, with the change of use and feed, have a very great effect upon the blood and sinuous fluids of horses. It is at those changes they require an assistant to nature to throw off any disorder of the fluids of the body that may have been imbibed, and which, if not attended to, will result in the Yellow Water, Heaves, Worms, Bots, &c. All of which will be prevented by giving one of these powders, and will at any time cure when any symptoms of disease appears, if used in time. They purify the blood, remove all inflammation and fever, loosen the skin, cleanse the water, and invigorate the whole body, enabling them to do more work with the same feed. The action of these powders is direct upon all the secretory glands, and therefore have the same effect upon the Horse, the Ox, the Ass, and all Herbivorous animals—all diseases arising from or produced by a bad state of the blood, are speedily cured by them. Remember and ask for **CARLTON'S CONDITION POWDERS**, and take no others.

CARLTON'S NERVE AND BONE LINIMENT FOR HORSES.
and for the cure of all diseases of man or beast that require external application, and for contracted cords and muscles, strengthen weak limbs, and is also used for sprains, bruises, saddle galls, swollen legs, sores of all kinds on horses.

CARLTON'S articles for Horses and Cattle are prepared from the recipe of a very celebrated English Farrier, and will cure in ninety nine cases out of one hundred any of the above complaints. They have been used by Farmers, liverymen, stage proprietors and others, with the most marked and decided success.

COMSTOCK'S VERMIFUGE.
This is the most extraordinary remedy for Worms ever used; it effectually eradicates Worms from both adults and children. It cannot harm the most delicate infant or strongest adult, and never fails to complete its root out and destroy all kinds of Worms. The cost, 25 cts. per bottle, puts it within the reach of all, and all parents who are with-hold are wantonly exposing the lives of their children to those fell destroyers of youth, "Worms." Look for the name of Comstock & Brother, proprietors, on the wrapper of each bottle.

RHEUMATISM.
Comstock's Nerve and Bone Liniment, is warranted to cure any case of Rheumatism, Gout, Contracted Limbs, and Muscles, or stiff joints, strengthen weak Limbs, and enables those who are crippled to walk again. Comstock & Brother, Proprietors, New York, and none genuine without their name on the wrapper.

TOOTHACHE.
Dr. KLINE'S Drops, for the cure of the Toothache. It is with confidence that we can recommend it as an infallible cure in all cases, without any injury to the teeth or gums. Price 25 cts. **CARLTON'S LINIMENT FOR THE PILES &c.** It is now used in the principal hospitals, and in the private practice is ever commended by an immense number of individuals and families, great and small, and is the cure of the PILES, anal and extensively and effectually as to be credited to the following complaints:—
For Drops.—Creating extraordinary absorption at once. Swellings. Reducing them in a few hours. Rheumatism. Acute or Chronic, giving immediate ease. Stomach. By causing, Ucers, or Colic. Croup and Whooping Cough. Externally and over the chest. All Bruises, Sprains, and Burns. Curing in a few hours. Sores and Ulcers. Whether fresh or of long standing, and never severs.

In operation upon adults and children in reducing rheumatic swellings, and loosening coughs and tightness of the chest by relaxing the muscles, has been surprising beyond conception.

BLACK HAWK!

THE above-named Horse is of purely Canadian breed, and is unnecessary to offer any remarks as to his quality, suffice it to say, that Providence in his wisdom has adapted his creature to the habitation of every climate; and, when we attempt to subvert Nature's order by transplanting the creature of the torrid to the frigid zone, the consequences of such infringement is obvious to all. The above Horse, the property of D. P. Myers, Esquire, Chamcook, will stand for the Season at the following places, every alternate week for the Season, viz:—
Monday, 5th May, at Wheaton's and Digdegush Mills.
