THE INFALLIBLE Farm for Sale. REMEDY 1

ERYSIPELAS of eight years cured ! Copy of a Letter from Geo. Sinclair, E-q. of Paris, Canada, dated the 18th July. 1854

1854 Ta Professor Holloway, Sr. ---I feel a pleasure and a pride in bearing witness to the wonderful benefit 1 have derived by the use/of your inestima ble Oniment and Pills. For eight years 1 suffered unceasingly from attacks of erysip o as; large purple blotches came all over my body; in addition to the unpleasant feeling of itching and burning; which all feeded me both night and day, rendering lifs a misery to me, as well as to all actound --so server was the tunck 1 used several reputed temedies without deriving the least cessarion to my mysery. As hast Last termined to try your Oniment and Pills, after taking them for a few weeks, a visible after taking them for a few weeks, a visible improvement took place, and I feel cousiderably better :- in three months, by con-tinung with your medicines, 1 was com-pletely cured, and now enjoy the best of health. The truth of this statement is well known here, hence there is no necessity for me to request secrecy, I ain, Sir, yours respectfully,

GEO. SINCLAIR (Signed) I LCERS in the Leg -Remarkable Cure " Copy of a Letter from Mr. Edward Tomkin-

son, of Cape Breton, Nova Scotia, dated the 4th May, 1854,

suffered for a great number of years from a bad leg i in which there were several deep-ly searce and old wounds, defying the skin of some of the most eminent of the metical faculty, a variety of remedies were also used unsuccessfully; and it seemed to me that there was not any thing capable of intigating the agonies also endured. At length she had recourse to your Ointment and pills, and after using them for about five weeks, she was completely curved, where weeks, she was completely curved, where is the set of the was not any them for about five weeks. weeks, she was completely cured, after all o her means had failed to affird her the alightest relief. I have no objection to these facts being published, if you feel disposed to make them known I remain, Sir, your most oldt Sevi-

(Signed) EDWD. TOMKINSON.

ABAD BREAST CURED WHEN AT DEATH'S DOOR !! Copy of a Letter from Mr Henry Malder

Three Rivers, Canada West, dated Jaly 9th, 1854.

To Profession Holloway, Sir, My wife suffered most severely after the birth of our last child with a bad breast There were several holes in n, one as large as a hand; all the devices and strategems 1 tried,would not beal them, but assumed an they would not bear them, but assumed an aspect more frightful than before, and hor-tible to behold. As a just resource 1 tried your ointment and pills, which she perse-vered with for seven weeks, at the expiration of that time her breast was almost well; by continuing with continuing with your remedies for two more weeks, she was entirely cured, and we offer you our united thanks for the cure effect

Signed) HENRY MALDEN

The Subscriber offers for sale a valuable Holloway's Cintment. Farm situated on Murphy's Ridge, Parish JUST of St. Patrick, formerly known as the Wil. JFA of St. Patrick, formerly known as the Will, son farm, and adjoining E. McElroy's, con-taining 60 Acres more or less, about 8 mores of which are cleared, and under cul-invation, and cuts 4'tons of hay. On the premises are a frame House and log Barn-the hand contains a good growth of hard and softwood mixed. If not disposed of previous to the Rith April next, it will then be sold as Public and Paril next, it will then the add to refer the shorts more.

AYER'S PILLS.

A NEW and singularly successful remody for the cure of all Bilious diseases — Costiveness, Indi-gestion, Jaundice, Dropay, Kheumatism, Fevera, Gont, Humors, Nerrouses, Irritability, Inflamma-tions, Hendache, Pains in the Breast, Side, Back, and Limbs, Fernaic complaints, Sc., Sc. Indeed, very few are the diseases in which a Poryative Madi-ine to a statement of the statement is not more or . the timely and judicious use of a good purgative is is alike true of Colds, Feverish symptoms, and lous derangements. They all tend to become or This is alike true of Golds, Feverish symptoms, and Billous derangements. They all tend to become or oproduce the deep setted and fot-aliable distemport which lead the hearses all over the land. Hence a reliable family physic is of the first funportance to the public health, and this Fill has been perfected with consummate skill to meet that demand. An extensive trial of its virtues by Physicians, Profes-sors, and Patients, has shown, results surpassing sinything-bitherto known of any medicine. Cures have been effected beyond belief, were they not sub-stantisted by pessoos of such excited position and character as to forbid the suspirion of untruth. Among the eminent gentlemen to whom we are allowed to refer for these facts, are PROF. VALENTINE MOT, the distinguished Sur-geon of New York City.
