WEDNESDAY, JUNE 10TH, 1903. -It is perhaps too early to predict the outcome of Secretary Chamberlain's new political scheme, but the enthu siasm with which the proposal is re ceived augurs that the opponents of the policy will have an up-hill fight. I party of Great Britain will resent and oppose any measure directed toward a reversal of the nation's free trade policy, while it is evident that an orga nized resistance will be made by laborated

It is probable that sentiment is not an inconsequential factor in enlisting In making her colonies' trade interests destined to bind together a large proportion of the Anglo-Saxon race, the leaders of the world, into a great and strong empire for Government of the Y. M., C. A. Athletic Club are diligently practising sports with a view to the Dominion Day matches, of which particulars are given elsewhere.

amalgamation, and with reason. As empire between which and ourselves there is at present perfect free trade."

La Petit Journal, the newspaper with the greatest circulation in France, says that the scheme of preferential perialism would be a serious blow to France. It believes that Canada could supply England with butter, cheese, eggs and meat. Such a tariff on British imports would cripple France's exports. One-third of the French agricultural exports is sent to England. The writer goes on to sugest a union of self-interest among ag-

as an offset to British customs union. enormous trade, and leading papers suggest immediate steps toward reci ada's suitor to her feet. The New

York Post argues thus:road to safety and profit now open to the United States. We need the pro-ducts of Canadian fields, forests and mines, and Canada is a great natural market for our manufactures. Nature people, and nature is still more pow-erful than Imperialism. Canadian lumreciprocity treaty, conceived on gene ous lines, would not only bring added prosperity to both countries, but would definitely take Canada out of Mr. Chamberlain's great plan, and with What Canada will do remains to be

### Y. M. C. A. Sports on Dominion Day.

seen, but her tardy suitor will probably find her affections engaged else-

C. A., voted to hold an athletic meet on Dominion Day at the Driving Park.
The arrangements were left in the
hands of the Athletic Committee, who
met on Saturday night and outlined met on Saturday night and outlined the following programme:—

A base-ball game in the forenoon, free to all:\In the afternoon a band is to be secured to furnish music, and the following athletic events, open to all residents of Annapolis County, will be run off: quarter mile run, half mile run, standing broad jump, running broad jump, running hop-step jump, high jump, pole vault, 12 pound shot put, half mile bicycle race, one mile bicycle race, also tug of war (teams of five men each). For boys under 16 years sack race, three legged race, 100 yds. dash.

years sack race, three legged race, look yds. dash.

First and second prizes will be given for each event. For a number of the given as first for each event. For a number of the events medals will be given as first prizes. Two handsome medals have already been donated by one of our business men, one for the men's 100 yds. dash, and the other for the box's 100 yds. dash. The committee will be glad to receive donations from others to help make the day a grand success.

The second shoot of the 69th Reg. Rifle Association took place at the government ranges on Saturday last. On account of the smooky condition of the atmosphere sighting was very difficult. Following are the scores made at the Paradise range:

Points.

Sgt. B. Saunders
Lt. E. C. Shafiner
Capt. A. Gillis
Adj. J. E. Morse
Capt. F. W. Bishop
Sgt. R. Gcodwin
Sgt. F. Poole

Fairn, who have charge of the matter, have awarded the contract for the new consolidated school building at Middleton. It is to be of brick and stone and when heating and ventilation is installed the cost will be about \$15,000. The building is to be finished by January I.

-A dastardly attack was made on Mrs. Walter Willett of Granville Ferry, one night last week by a negro called 'Sonny' Abraham. Mrs. Willett was alone in the house, about nine o'clock. The man entered by the back door, blew out the lights, seized Mrs. Willett and threw her down, and was attempting to stifle her screams by gagging her, when, providentially, Mr. Willett arrived on the scene. The villain escaped but was afterwards captured and placed in jail.

The death of Miss Goldie Hall oc-curred at the home of her father, Mr. E. C. Hall, on Sunday morning. Miss Hall had a severe illness some three years ago of rheumatic fever, and never after recovered her former ro-bust health. Some six weeks since droppical symptoms set in and her illhels terminated in heart tailure. Miss Hall was a bright, attractive and love-able girl, and her untimely demise at the early age of seventeen is deeply re-gretted. The Monitor extrads sympa-thy to the bereaved father and friends.

Breeders of poultry, both domestic and pet stock, are earnestly requested to meet, in the office of the Maritime Stock Breeders' Association, Bank of Officers of the International Brick and Tile Co.
