

Orange Tea

Leave a little orange rind in some tea and note how the flavor comes out in the brew. Incidentally the way tea absorbs odors and loses its fragrance when exposed shows the necessity for sealing it in lead—the Rakwana way of preserving the full garden strength and flavor.

NOTES AND NEWS OF LAWRENCEPORT

(Continued from Page One.)

week, some had brooms at the tails of the machine, another had a box cart that made an unearthly sound, others had tame crows on the handle bars, these birds acted as horns, and did their best to warn foot-walkers of danger, dogs great and small, attended their masters, barked their loudest. One lady was overtaken, but no damage done.

It is hard for the young sports, there is no speedway, they cannot drive in the middle of the street there is only a short piece of sidewalk that they can use. Boys who do not own bikes used tires of autos and wee laddies roll common hoops. Taken all in all, the boys have given a very enjoyable, free circus.

Girls also ride gracefully along and add beauty and dignity to the jolly procession.

Miss Elizabeth Morgan is at her home for the vacation, Miss Morgan has had a large number of pupils under her care.

Miss Hume, Dartmouth, is a guest at the home of Miss Sadie Banks. Twenty-three thousand pounds of butter was the output of the Lawrenceport Creamery.

Mr. and Mrs. Clarke went to P. E. I. on a visit to friends. Mr. Clarke returned, was on the train wrecked near Windsor. Mrs. Clarke will remain on the island all Summer.

Five and a half tons of hay were taken from a piece of land about 142 rods. This small field is near the Creamery.

Pigs are now considered of importance now that a Pig Club has been formed. We suppose they will make more noise than ever.

The sacred concert which was given in the Baptist church on Sunday evening last proved to be an event of unusual interest. The crowded house and attentive audience indicated the fact that the music which this church produces is always of the best.

The large choir under the direction of Mrs. R. J. Shaffner, rendered three difficult anthems in a very acceptable manner. The solo work in these was taken by Mrs. E. C. Shaffner, Mrs. Wm. Bishop, Mrs. Leta Hanley and Mr. Alton Brown.

The choir quartet excelled in a beautiful rendering of "Lead Kindly Light." The personnel of this popular quartet is Mrs. E. C. Shaffner, Mrs. L. D. Hanley, Mr. Alton Brown and Mrs. Jas Sanford. Mr. Sanford also sang a beautiful baritone solo, "I Will Abide With Thee."

Miss Ethel Shaffner sang a very sweet evening solo, "Spirit of God," which was much appreciated.

Miss Stella Whitman added very much to the high standard of the program by rendering an organ solo, also a very effective reading, "The Land of Beginning Again."

The audience felt that an unusual treat was given by the performance of three Wolfville artists Miss Evelyn Duncanson, sang in her own pleasing style "Sweeter as the Years go By" Miss Duncanson is deservedly very popular in Lawrenceport.

Miss Gertrude Phinney and Mr. Harold Phinney, daughter and son of Mr. H. W. Phinney of Wolfville, were very cordially welcomed and received in Mr. Phinney's old home church.

The violin and cornet solo and duets rendered by them were very beautiful and they were well accompanied by Mrs. Phinney.

After a few appropriate remarks by the pastor of the church, Rev. A. H. Whitman, the concert was brought to a close by the large audience singing "All Hail the Power" with the choir. This was an inspiring climax to a wonderful treat.

The Editor had a pleasant call on Tuesday morning from Mr. J. B. Templeman of Hampton. Mr. Templeman is one of the oldest subscribers to the Monitor, having taken it since its inception. His sons A. W. Templeman, Los Gatos, California, and F. Templeman, Cliftondale, Mass., are also subscribers to this journal of the home and fireside. WOMEN'S HANDICAPS

Headaches And Backaches Often Make Life Miserable.

A woman's health handicaps her almost always. She has pains and disabilities which do not afflict men. Nature does not give her a fair chance. Her blood is more often thin and poor than a man's, and she often neglects the first beginnings of ill-health. Many women who seemed destined to a life of frequent suffering have been freed entirely from their suffering through the wonderful blood-making qualities of Dr. Williams' Pink Pills. Many a woman toils all day with a pain in her back and side, a burning headache, and a sense of having no spine left.

What a pity women will not listen to their friends whom Dr. Williams' Pink Pills have saved from their misery. Whenever a woman suffers they will help her—in youth, middle-age and afterlife. Mrs. John Mitchell, of Middleville, Ont., gives her experience for the benefit of other women sufferers. She says:—"Some years ago I was so badly run down I could hardly walk around the house. I tried to do a few chores but was able to do very little. My boys and husband had to do the rest. If I started up stairs I had to go very slow or I would fall, and I was just played out when I got at the top of the stairs. My head ached terribly, and my heart would beat violently. In this deplorable condition I began taking Dr. Williams' Pink Pills. When I had finished six boxes I felt much better. Then I got a further supply, and by the time I had taken these I could walk anywhere without being exhausted. The headaches had disappeared and I am now perfectly well. Any woman who is run down should not hesitate to begin Dr. Williams' Pink Pills at once, as I am sure from my own experience they will build her up."

You can get these Pills from any medicine dealer or by mail at 60 cts. a box from The Dr. Williams' Medicine Co., Brockville, Ont.
