### NOTICES, ACKNOWLEDGEMENTS, &c.

COLLECTING CARDS for the Mission Schooner have been forwarded by post to each Congregation within the bounds of the Synod. It is intended that every Sabbath School Teacher should have a Card, and a few extra ones are sent for districts where there are no Sabbath Schools. It is desirable that these Cards should be filled up as soon as possible, and the money emitted to the proper quarter. Should any Congregation require a greater number of Cards, application may be made to Rev. James Bayne, the Secretary of the Board, or to the Publisher of the *Record*. The arrangements for building the Schooner will be stated in our next issue.

**NOTE.**—The signatures appended to the Appeal on behalf of our Educational Institutions, issued in our last number, having given rise to remarks in some quarters, we think it may be as well just to state the facts of the case. The duty of preparing and issuing the appeal was entrusted by the Board of Superintendance to a Committee in Halifax, consisting of Rev. Prof. King, P. G. McGregor, and A. McKnight, with a request that it should appear in the October *Record*. It was prepared accordingly, but not in sufficient time to send it to the Convener and Secretary for review and signature; and indeed the terms in which the authority of the Board was conveyed to these did not seem to contemplate such review as necessary. Instead, therefore of losing a month in offering a courtesy which had not been asked, they sent the paper direct to press, still assuming, however, that as an official document it should be authenticated in the usual way. The members of the Committee had no desire to withhold, and no conceivable motive for withholding their own names from it, if it had been thought proper append them.
