We offer our sincere and hearty thauks to those who came forward and gave their time and labor to decorating the Church this year. We are glad to find that their lajors are so generally appreciated. We have, as yet, heard but one opinion, and that is, that " the Cburch never looked prettier." But while we thus "er our eongratulations to those who worked ac hard to accomplish such good resulfs, e cannot refrain from exprossing our very decided opinion as to the smailness of the number of workers. We think it a shame thac the work should be left to just a few, while the many are quite ready to enjoy ail the praise its effect calls forth. However sucis is the way of the world; and apparently of the Church too.

With respect to the Chriskmas services we must say that the attendance at the mornin ${ }_{c}$ service $\mathrm{w}_{\mathrm{as}}$ not quite ap to our expeetation, while that at the Holy Conmunion was considerably below it. Perhaps we expect tou much. But we believe we look for no more than is iooked for by our wiaver, who, we thiakl, deserves more than $\mathrm{H}_{6}$ receives at the hands of His profersed follo ars.

On Monday, 20th inst., there will be a "Sacial" of the congregetion of Holy Trinity in ths Division Room, Temperance Hall, at 8 P. M. When we hope to see every adult member, wincin pasibly get away from home, present.
