

The Wholesale House that  
supplies you with . . .

## North Star, Crescent and Pearl

Cotton Batting gives you the best value obtainable.

Even the Pearl grade is guaranteed stronger and better adapted to requirements than any grade of any other batting.

These grades are the strongest, handsomest and most desirable cotton bats obtainable.

## NOTHING DECEPTIVE

They look well in the roll. They have the strength and qualities required by the consumer after unrolling. They make strong comforters.

When you unroll and unfold them you can test the strength and they will not fall apart like so much chalk. You can't blow them to pieces in a hurry.
