IT WILL CURE ENTIRELY THE WORST FORM OF FEMALE COMPLAINTS, ALL OVARIAN TROUBLES, INFLAMMATION and UTERINE FALLING AND DISPLACEMENTS, AND THE CONSEQUENT SPINAL WEAKNESS, AND IS PARTICULARLY ADAPTED TO THE CHANGE OF LIFE. IT WILL DISSOLVE AND EXPEL TUMORS FROM THE UTERUS IN AN EARLY STAGE OF DEVELOPMENT. THE TENDENCY TO CANCEROUS HUMORS THERE IS CHECKED VERY SPEEDILY BY ITS USE. IT REMOVES FAINTNESS, FLATULENCE, DESTROYS ALL CRAVING FOR STIMULANTS, AND RELIEVES WEAKNESS OF THE STOMACH. IT CURES BLOATING, HEADACHE, NEURVOS PROSTRATION, GENERAL DEBILITY, DEPRESSION AND INDIGESTION. THAT FEELING OF BEARING DOWN, CAUSING PAIN, WEIGHT AND BACKACHE, IS ALWAYS PERMANENTLY CURED BY ITS USE. IT WILL AT ALL TIMES AND UNDER ALL CIRCUMSTANCES ACT IN HARMONY WITH THE LAWS THAT GOVERN THE FEMALE SYSTEM. ITS PURPOSE IS SOLELY FOR THE LEGITIMATE HEALING OF DISEASE AND THE RELIEF OF PAIN, AND THAT IT DOES ALL IT CLAIMS TO DO, THOUSANDS OF LADIES CAN GLADLY TESTIFY.

The hard worked man of business, toiling day by day, with little chance for rest, should take occasionally Robinson's Phosphorized Emulsion, to give activity to the system and strength to the constitution, and thereby prevent the attacks of fever and other destroying diseases.

Scientific and Useful.

To clean isinglass used in stove doors, rub with a cloth wet with vinegar till clean, and then with a dry one; it will look as good as new and be as good.

PUDDINGS of all kinds should be plunged into boiling water, should boil, not simmer, all the time that the pudding remains in it. It is well-nigh impossible to boil a pudding too long.

COLD PINK. Take cold chicken or turkey, chop fine; stew cranberries, sweeten to the taste, and squeeze the juice, while boiling, over the turkey or chicken. Mix up well, put in a mould to form.

SCRAMBLED EGGS.—Beat eight eggs very light, in a separate skillet with one tablespoonful of butter, and when hot, pour in the eggs, season with salt and pepper, stir constantly until done, and serve hot.

The medical profession are slow (and rightly so), to endorse every new medicine that is advertised and sold; but honest merit convinces the fair-minded after a reasonable time. Physicians in good standing often prescribe Mrs. Pinkham's Vegetable Compound for the cure of female weaknesses.

PRESERVED apples are very well adapted for making open tarts, fritters and apple cake, because they require so little cooking, merely requiring to be reduced to pulp, sweetened and flavoured.

POACHED EGGS.—Set a stew-pan on top of stove, pour a pint or two of boiling water in, add two teaspoonfuls salt, drop eggs carefully in; when whites are firm, draw off water, dip up, put a little butter on each egg, and, if desired, sprinkle with pepper.

WHERE TO KEEP IT.—Keep it in your family. The best remedy for accidents and emergencies, for Burns, Scalds, Bruises, Soreness, Sore Throat, Croup, Rheumatism, Chills and Pain or Soreness of all kinds, is that marvelous healing remedy, Haggard's Yellow Oil.

BOILED EGGS.—Put the eggs into a dish without breaking the shells, pour boiling water over them and let them stand in it, away from the fire, for from five to eight minutes. This is better than boiling rapidly on the stove, as it cooks them through without hardening the whites too much.

NEVER cut up more onions than are likely to be used for the dish in preparation. A cut onion absorbs all smells, and taints what comes near it. It is very useful to have a piece of onion in a sickroom, it is a capital disinfectant; when the outside becomes dry cut off a piece more, so as to leave it juicy.

BEAN, OR PEA SOUP.—Soak the beans, if dry, over night, and boil until soft. Press them through a colander. For each quart of liquid allow one teaspoonful of sugar, one teaspoonful of salt, and a small saltspoonful of pepper. Add a beaten egg, a cup of milk, and two tablespoonfuls of butter. Some like to add a little lemon-juice on taking up.

SURE TO CONQUER.—The most troublesome cough is sure to yield if timely treated with Haggard's Pectoral Balsam. Pleasant to take and safe for young or old.

FOAMING SAUCE. One cupful of butter, two of powdered sugar, the whites of two eggs and the fourth of a cup of boiling water. Beat the butter to a cream first, then stir in the sugar; now the whites of the eggs, un-beaten, one at a time. When all is light and smooth, pour in the boiling water slowly. Stir until smooth and frothy, which will be in about two minutes if set into a bowl of hot water. For rich puddings.

BUFF KIDNEY Lay it in salted water for half-an-hour; remove the white part as nearly as possible; put the kidney in a stew-pan, cover with fresh water, and let it boil gently for six hours. Set it aside until needed. Chop very fine; put it in a pan with a good piece of butter, a little of the water it was boiled in, pepper and salt; if desired, a little flour to thicken it, or it may be poured over toast.

FRICASSEED CHICKEN.—Wash the chicken thoroughly and cut up; put into a pot and cover with cold water. Let it stew until tender. When done, have ready a thickening of cream or milk and flour, and stir it into the stew; add butter, pepper, and salt. In the meantime have a nice short cake, rolled as thin as pie-crust, baked and cut into squares. Lay the cakes on a large platter and pour the chicken and gravy over them.

Scott's Emulsion of Pure COD LIVER OIL, WITH HYPOPHOSPHITES, Is Remarkable as a Flesh Producer. The increase of flesh and strength, is perceptible immediately after commencing the Emulsion. The Cod Liver Oil emulsion with the Hypophosphites is most remarkable for its health, strengthening, and flesh producing qualities.
