THE MAGNETICON.
The Celebrated English Magnetic Appliances FOR THE CURE OF DISEASE.

NOTICE THE FOLLOWING RECENT LETTERS:
T. J. MASON, Esq.
DEAR SIR.—At your British "Magneticon" Belt has been instrumental in recovering me from a state of great prostration, and that speedily. I deem it my duty to yourself and to suffering humanity to testify to the above effect, and I shall rejoice to hear of others obtaining relief as easily and cheaply as I have done. With best wishes for your success, I remain, yours faithfully. C. C. PUMPHRY, Prescott, October 3rd, 1878.
Mr. THOS. J. MASON.
DEAR SIR.—I can cheerfully bear testimony to the value of your Magnetic Lung Invigorator. Since using it I have experienced a great strengthening of the vocal organs, and I can most confidently recommend it to all who suffer from weakness of the throat or lungs. It is invaluable to ministers. REV. D. P. AUSTIN, M.A., Post Office, Ottawa, Sept 10th, 1878.
DEAR SIR.—I have much pleasure in informing you of the benefit I have received from the "Magneticon" Belt purchased from you about two months since. The pains that I used constantly to be troubled with in my right hip and across the small of my back have almost entirely disappeared. I had also suffered very much from chronic liver complaint. My liver is now all right, and the general tone of my health is much improved. Yours very respectfully, JAMES G. POSTON, 8 James St., St. Catharines, Sept. 4th, 1878.

THOS. J. MASON, Esq.
DEAR SIR.—I procured your "Magneticon" Whistle on the 14th of April last. For sometime previously my hands had been so bad with rheumatism that I almost lost the use of them—now they are well. I am in my seventy-eight year. WM. BARON.

NICKELITE SILVER.
Spoons and Forks made of this metal are now before the public for almost twenty years, and have never failed to give satisfaction. Goods said to be "quite as good" have often been offered instead of the genuine "Nickelite." These may have failed to wear, but such are not Nickelite. Buyers should always see that either spoons or forks are stamped "Nickelite—R. W. & Co." All such are guaranteed to give perfect satisfaction, no matter by whom sold. ONE HUNDRED DOLLARS reward will be paid to any one who will convict any party of the fraudulent use of the above stamps. This season we have succeeded in making further improvements, both in the hardness of the metal and in the finish; therefore for COLOUR, BEAUTY, and DURABILITY the goods are unequalled in the world. For general use among our people nothing suits so well as articles that are of one metal throughout. Nothing can wear off; simple cleaning makes them always new. The price, too, is within the reach of all. To get an article to be depended on, ask for NICKELITE Spoons and Forks, and take no other. Dealers supplied by application to the General Agent for the Sheffield House. ROBERT WILKES, Toronto and Montreal.
