### ITALIAN CLASS.

**A** CHRISTIAN worker having been led to take an interest in the welfare of the Italians who have lately come to our city in considerable numbers, has, with the aid of other friends, established a class two afternoons in each week for secular studies, also on Sunday afternoon for other studies. The attendance thus far has been good, and the men are deeply interested.

### CHINESE CLASS.

**T**HERE are many interesting features about this class. In fact there is much to encourage, and while no conversions can be pointed to, there is a spirit of enquiry among some of the men.

## GOD IS OUR REFUGE.
