PROSPECTUS OF "THE LIBERAL" TORONTO.
MESSRS JOHN CAMERON & CO., PUBLISHERS OF THE "LONDON ADVERTISER," having determined to extend their publications to Toronto, the capital and centre of the Province, arrangements are now nearly completed for the carrying out of the project. It was at first intended to carry the name which had served them so well in London to Toronto, issuing a Daily under the name of the "Morning Advertiser," and a weekly prospectus was issued to that effect. We have decided rather than enter into litigation over a disputed point of law, to adopt the name of—"THE LIBERAL, TORONTO."

DM FERRY & CO'S SEED ANNUAL 1875. Will be mailed FREE to all applicants. This is one of the largest and most complete Horticultural Catalogues published; contains 216 pages, over 300 fine engravings, and gives full descriptions of those plants, and directions for planting about 120 varieties of Vegetable and Flower Seeds, Bedding Plants, Roses, &c., and is invaluable to Farmer, Gardener, and Florist. Address D. M. FERRY & CO., Seedsmen and Florists, DETROIT, MICH.

THE LIBERAL, TORONTO.
Their publications will then consist of the following journals:
THE LIBERAL, published daily at Toronto;
THE DAILY ADVERTISER, published at London;
THE WEEKLY LIBERAL and WESTERN ADVERTISER, issued at Toronto and London.
The LIBERAL will commence its career as a 24-column journal, well printed on good paper, and will be regarded as rapidly as advertising patronage makes additional demands on our space. The Parliamentary Reports will be well condensed and thoroughly impartial. To that end the services of able and experienced stenographers have been secured. The publishers believe the public will appreciate a journal edited in a pithy and readable style, and which will aim at rather than quantity. The editorial corps includes several of the ablest journalists in Canada, and the public may expect THE LIBERAL to take an immediate position in the first rank of Canadian journals.
The first issue of THE LIBERAL will make its appearance about the 20th of January.
It is the expectation of the publishers of the "LONDON DAILY ADVERTISER," with the additional news facilities which will be at their disposal, to make that paper one of the best informed journals in the Province, outside of Toronto.
The circulation of our eight-page weekly, now over 14,000 copies, will present to the business men of Toronto, London and Ontario generally, the most widely-spread medium of communication—with one exception—in the Province, and it is believed that within a limited period from this date the circulation of the paper will be at least 20,000 copies. It will be the aim of the publishers to make it the best weekly in Canada. They have pleasure in announcing, as one of the features for 1875, a first-class Agricultural and Horticultural Department, specially edited for THE WEEKLY LIBERAL and WESTERN ADVERTISER, by Mr. W. F. CLARKE, for some years editor of the Canada Farmer.
Politically the publishers have no new departure to announce. While maintaining their attitude as spoken and independent journalists, they will, in the future as in the past, be staunchly and progressively Liberal in their views and utterances, and continue to extend cordial support to the Administrations respectively of Mr. Mackenzie and Mr. McMillan.
THE LIBERAL will be issued daily from the office, 67 Yonge Street, east side, second door south of King Street. Subscription price 10 cents per week, or \$5.00 per year prepaid. Single copies 2 cents. The subscription price of THE WEEKLY LIBERAL and WESTERN ADVERTISER is \$1.50 per annum, payable strictly in advance.

GEORGE STOCK, Esq., Toronto.
DEAR SIR—We have been using your oil on our machinery for some years, and have no hesitation in saying it is the only good oil of the kind we have ever used, and it is the very best machine oil we have ever used. We recommend it to all our farmer customers as the best oil they can possibly buy. We suggest that you put it up in 5 gallon cans for their use, and we feel sure it will sell freely. Any one who gives it a trial will continue to use it.
Yours truly, F. W. GLEN, President.
As forman of the above works, I beg to say I would rather have Stock's Extra Oil than Lard, Olive or any other oil I have ever used.
