THE Underwood Typewriter has won every speed contest for championship honors since typewriter operation became recognized as a science.

There have been 22 contests—the most recent in Toronto, May 19, for the championship of Canada. The winner wrote 105 words a minute for 30 minutes.

The Underwood is the only typewriter mechanically equal to the task of sustaining a speed of over 100 words a minute and doing perfect work. It has been operated at a speed of 17 strokes a second.

Being the best machine for the most exacting requirements, it does not lose any of its efficiency in the more ordinary uses.

75 per cent. of typists are trained on the Underwood.
