ALTHOUGH this Society has mainly in view the intention of enabling members of the Church of England to contribute, by the payment of small periodical sums, towards either the endowment of a Church of England University, (in accordance with the recommendation of His Lordship the Bishop in his recent Pastoral Letter,) or the building and endowment of Churches, Parsonage Houses, and School Houses, in connexion with the Church of England—the Society, nevertheless does not contemplate restricting its operations to those objects only. On the contrary, like other Building Societies, the advantages of the Church of England and Metropolitan Building Society will be fully open to all parties, without distinction, who may choose to take Stock therein, either for investment—the acquisition of freehold or leasehold estate—the removal of incumbrances or liabilities upon property—or the privilege of borrowing the amount of their shares in advance, upon furnishing approved mortgage security. Printed copies of the By-Laws and Regulations can be obtained from the undersigned, at the Offices of the Society, Albany Chambers; and it is requested that all Communications be post paid. G. A. CHERRY PECTORAL For the Cure of COUGHS, COLDS, HOARSENESS, BRONCHITIS, WHOOPING-COUGH, CROUP, ASTHMA and CONSUMPTION. The uniform success which has attended the use of this preparation—its salutary effect—its power to relieve and cure affections of the Lungs, have gained for it a celebrity equalled by no other medicine. We offer it to the afflicted with entire confidence in its virtues, and the full belief that it will subdue and remove the severest attacks of disease upon the throat and Lungs. These results, as they become publicly known, very naturally attract the attention of medical men and philanthropists everywhere. What is their opinion of CHERRY PECTORAL may be seen in the following:— VALENTINE MOTT, M. D. Prof. Surgery Med. College, New York, says:—"It gives me pleasure to certify the value and efficacy of Ayer's CHERRY PECTORAL, which I consider peculiarly adapted to cure diseases of the Throat and Lungs." THE RIGHT REV. LORD BISHOP FIELD writes in a letter to his friend, who was fast sinking under an affection of the Lungs:—"Try the CHERRY PECTORAL, if any medicine can give you relief, with the blessing of God that will." CHIEF JUSTICE EUSTIS, of Louisiana, writes "That a young daughter of his was cured of several severe attacks of Croup by the 'CHERRY PECTORAL.'" Let the relieved sufferer speak for himself.—Hartford, Jan. 26, 1847. Dr. J. C. Ayer—Dear Sir.—Having been rescued from a painful and dangerous disease by your medicine, gratitude prompts me to send you this acknowledgment, not only in justice to you, but for the information of others in like affliction. A slight cold upon the lungs, neglected at first, became so severe that spitting of blood, a violent cough and profuse night sweats followed and fastened upon me. I became emaciated, could not sleep, was distressed by my cough, and a pain through my chest and in short had all the alarming symptoms of quick consumption. No medicine seemed at all to reach my case, until I providentially tried your CHERRY PECTORAL, which soon relieved and now has cured me. Yours with respect, E. A. STEWART, Albany, N. Y., April 17, 1848. Dr. Ayer, Lowell—Dear Sir.—I have for years been afflicted with Asthma in the worst form; so that I have been obliged to sleep in my chair for a larger part of the time, being unable to breathe on my bed. I had tried a great many medicines, to no purpose, until my physician prescribed, as an experiment, your CHERRY PECTORAL. At first it appeared to make me worse, but in less than a week I began to experience the most gratifying relief from its use; and now, in four weeks, the disease is entirely removed. I can sleep on my bed with comfort, and enjoy a state of health which I had never expected to enjoy. GEORGE S. FARRANT. PREPARED BY J. C. AYER, CHEMIST, LOWELL, MASS. Sold by Lyman & Kneeshaw, Toronto; Hamilton and Kneeshaw, Hamilton; Wm. Lyman & Co., Montreal, Agents for the Canadas. March 4th, 1851. 32-3m
