THE QUESTIONS.

The beautiful month of September. A deep, wide, rapid flowing river, whose bank on the North is high, steep, and rocky. Perched upon a point of this high bank, is a city surrounded by walls, and defended by a brave army under a brave general. Fleets of war-ships have for months held the river below and vainly sought to force the surrender of the city. One dark night soldiers from the ships scramble up the steep bank, and with their General, gain the plain above. The morning light reveals to the garrison of the city, its enemy ready for attack. A fierce battle ensues. The generals of both armies die from wounds received. The city is captured. 1. Give the names of the river, city and general. 2. What nations were represented by the two armies? 3. Which army formed the garrison of the city? 4. By what name is the fierce battle known? 5. In what year did these things happen? 6. What was the result of the capture of the city?

The answers to the above questions must be accompanied by \$1.00 for a year's subscription to THE QUEEN. The Young People's Department of THE QUEEN, is devoted solely to entertaining and instructing the youth of Canada. The popularity of "Uncle Joe," who has charge of this Department is demonstrated by the fact that he receives daily, from sixty to one hundred letters and puzzles for publication from young people residing in all parts of the globe.
