## A GRATEFUL LETTER.

A PRINCE EDWARD ISLAND LADY SPEAKS FOR THE BENEFIT OF HER SEX.

THAD NO APPETITE, WAS PALE AND EASILY EX-HAUSTED-SUBJECT TO SEVERE SPELLS OF DIZZINESS AND OTHER DISTRESSING SYMP-

TIGNISH, P.E.I., May 30th, 1895. To the Editor of L'Impartial.

Dear Sir :- I see by your paper the names of many who have been benefited by the use of Dr. Williams' Pink Pills. I feel that I ought to let my case be known, as I am sure that many women might be benefited as I have been. For a number of years I have been almost an invalid. I did not know the nature of my malady. I had a tired feeling, being exhausted at the least exertion. I had no appetite and was very pale. I sometimes felt like lying down never to rise. A dizziness would sometimes take me, causing me to drop where I would During these spells of dizziness I had a roaring sound in my head. I took

A DIZZINESS WOULD OVERTAKE ME.

medical treatment but found no relief. My husband and father both drew my attention to the many articles which appeared from time to time in your paper concerning the cures wrought by Dr. Williams' Pink Pills. At first I had no faith in them, in fact I had lost faith in all medicines and was resigned to my lot, thinking that my days were numbered in this world. Finally, however, I consented to try the Pink Pills. I had not taken them long before I felt an improvement and hope revived. I ordered more and continued taking the pills for three months and I must say that to-day I am as well and strong as ever and the many ailments which I had are completely cured. I attribute my complete recovery to Dr. Williams' Pink Pills and hope by telling you this that others may be benefited by them.

MRS. WILLIAM PERRY.

After reading the above letter we sent a reporter to interview Mrs. Perry and she repeated what she had already stated in her letter. Her husband, William Perry, and her father, Mr. J. H. Lander, J. P., and fishery warden, corroborated her statements.—Ed. L'Impartial. Dr. Williams' Pink Pills for Pale

People make pure, rich blood, restore shattered nerves and drive out disease. They cure when other medicines fail and are beyond all question the greatest life-saving medicine ever discovered. Sold by all dealers, but only in boxes the wrapper around which bears the full trade mark "Dr. Williams' Pink Pills for Pale People." Pills offered in loose form, by the hundred or ounce, are imitations and should be avoided, as they are worthless and perhaps dangerous.

Testimony of Dr. D. Marsol via Lavaltrie.

I have used several bottles of Robson's Hair Restorer, and I cannot no otherwise than highly praise the merits of this excellent preparation. Owing to its use, the hair precess its originat color and in addition acquires an incomparable pitancy and function. What pleases me most in this Bestorer is a smooth, oleaginous substance, emineutly calculated to impart mourisiment to the nair, preserve its vigor, and stimulate its growth, a substance which replaces the water used by the manufacturers of the greater part of the Restorers of the day from an economical point of view. This is a proof that the manufacturer of Rosson's Restorer is above all anxious to produce an article of real value, regardless of the expense necessary to attain this such. It is with pleasure that I recommend Robson's Restorer in preference to all other presentations of that nature.

I know goveral persons who have for some years used Robnon's Hirr Restorer and are very well satisfied with this preparation, which proserves the original color of the bair, as it was in youth, makes it surpassingly not and glossy, and stimulates at the same time its growth.
