Mercantile Summary.

A. P. W. GOLDSMITH, a general dealer at Binscarth, in Manitoba, has assigned, owing about \$11,000, with assets nominally in excess. — A. T. Moore & Co., manufacturers' agents in Winnipeg, have obtained an extension of time.

SAID Mrs. Della Creme wearily—"I know everything we eat is adulterated, but what can we do, Reginald? We must trust our grocer." To which remark replied Mr. Reginald Creme drearily—"Ah, yes, Della, very true; and if—oh, if—our grocer would only trust us."

It appears that the Quebec Press Association has decided to go to Paris, France, on their excursion for 1888, instead of, as at first proposed, to British Columbia. The Bossiere Line, it is said, has agreed to carry the members over and back for \$75 each.

A REPRESENTATIVE of Ross, McLaren & Co., the well-known Ottawa lumbermen, was visiting last week the large saw mill on Puget Sound, British Columbia. The firm has decided, says the *Columbian*, to place their new mill, capacity 300,000 feet per day, on the property bought from Senator McInnes. They will manufacture for the foreign trade.

N. DESROCHES, of Quebec, who only began business in the dry goods line a year ago last spring, has assigned to the prothonotary. Liabilities, \$7,400; assets nominally about \$6,000. He had been in business before, and failed about twelve years ago, subsequently clerking and travelling, at which he did better than for himself.

J. GANNON, a Montreal grocer of about three years' standing, has assigned on demand, with liabilities of nearly \$3,000. His stock is advertised for sale and he will be closed up. — Wm. Murray, of the same city, jeweller, has assigned owing \$3,500, mainly due to one house which, two years ago, assisted him through some complications with the failed firm of Picard & Co.
