The Association Aims.

1. To obtain for all Post Office clerks one day in each week for a day of rest.
2. To impress upon the Government our desire that eight hours shall constitute a day's work, such eight hours to be completed within twelve hours and to consist of not more than two attendances.
3. That seven hours constitute a day's work between the hours of 10 p.m. and 7 a.m.
4. To obtain time off for all overtime worked or payment in lieu thereof.
5. To secure equal conditions for all Post Office clerks, whether employed in semi-staff or city offices.
6. To abolish, by any and every means in its power, the patronage system, at the same time bringing all possible pressure to bear upon the Government in order to obtain the adoption of the merit system throughout the entire Civil Service.
7. To secure, as a reward for merit and long and faithful service, the higher positions in the Postal Service, knowing that such positions can be filled more advantageously from the rank and file of the service than by the appointment of individuals having no knowledge of Postal work.
8. To stimulate and foster organization among Post Office clerks, believing, as we do, that by this method only is it possible to obtain justice at the hands of the Department and equal rights for all.

All correspondence, matter for publication, etc., should be addressed to the Editor,
A. Venables, Calgary, Alberta.

GREETINGS FROM REGINA.

Officers and representative delegates of our various branches: Regina bids you "welcome", and that right heartily.

This issue of the "Postal Journal" will be in the hands of its readers during the session of the "Postal Clerks' Parliament," and to the delegates to the convention we again reiterate our welcome.

You will be well occupied in ses-

sion, and your stay must necessarily be only too short, but may you create new friends and acquaintances making yourselves known to as many of our own branch members as possible,—have a joyous time, a successful convention, and a safe journey home. The parting at the end of the convention will of course be regretted, but we may be sure that the various delegates will return to their respective branches with a stronger determination not to relax
