

(d) The INTELSAT space segment may also, on request and under appropriate terms and conditions, be utilized for the purpose of specialized telecommunications services, either international or domestic, other than for military purposes, provided that:

- (i) the provision of public telecommunications services is not unfavorably affected thereby; and
- (ii) the arrangements are otherwise acceptable from a technical and economic point of view.

(e) INTELSAT may, on request and under appropriate terms and conditions, provide satellites or associated facilities separate from the INTELSAT space segment for:

- (i) domestic public telecommunications services in territories under the jurisdiction of one or more Parties;
- (ii) international public telecommunications services between or among territories under the jurisdiction of two or more Parties;
- (iii) specialized telecommunications services, other than for military purposes;

provided that the efficient and economic operation of the INTELSAT space segment is not unfavorably affected in any way.

(f) The utilization of the INTELSAT space segment for specialized telecommunications services pursuant to paragraph (d) of this Article, and the provision of satellites or associated facilities separate from the INTELSAT space segment pursuant to paragraph (e) of this Article, shall be covered by contracts entered into between INTELSAT and the applicants concerned. The utilization of INTELSAT space segment facilities for specialized telecommunications services pursuant to paragraph (d) of this Article, and the provision of satellites or associated facilities separate from the INTELSAT space segment for specialized telecommunications services pursuant to subparagraph (e) (iii) of this Article, shall be in accordance with appropriate authorizations, at the planning stage, of the Assembly of Parties pursuant to subparagraph (c) (iv) of Article VII of this Agreement. Where the utilization of INTELSAT space segment facilities for specialized telecommunications services would involve additional costs which result from required modifications to existing or planned INTELSAT space segment facilities, or where the provision of satellites or associated facilities separate from the INTELSAT space segment is sought for specialized telecommunications services as provided for in subparagraph (e) (iii) of this Article, authorization pursuant to subparagraph (c) (iv) of Article VII of this Agreement shall be sought from the Assembly of Parties as soon as the Board of Governors is in a position to advise the Assembly of Parties in detail regarding the estimated cost of the proposal, the benefits to be derived, the technical or other problems involved and the probable effects on present or foreseeable INTELSAT services. Such authorization shall be obtained before the procurement process for the facility or facilities involved is initiated. Before making such authorizations, the Assembly of Parties, in appropriate cases, shall consult or ensure that there has been consultation by INTELSAT with Specialized Agencies of the United Nations directly concerned with the provision of the specialized telecommunications services in question.

ARTICLE IV

Juridical Personality

(a) INTELSAT shall possess juridical personality. It shall enjoy the full capacity necessary for the exercise of its functions and the achievement of its purposes, including the capacity to:
