tions are entrusted to such a group, its existence should not, we trust,
le or short-circuit the earnest and serious consideration of the topics
ed in Resolution 1815 by the full Committee.

...The Canadian Delegation intends to make separate statements at
or the next session on such topics as peaceful settlement of disputes
overeign equality. It realizes the need to preserve a certain elasticity
he order of treatment, and it welcomes the initiative taken by the
etariat to provide us with background material as a starting point...
