

7. Notwithstanding any provision of this Convention a company which is a resident of Cyprus and which has a permanent establishment in Canada shall, in accordance with the provisions of Canadian law, remain subject to the additional tax on companies other than Canadian corporations, but the rate of such tax shall not exceed 15 per cent.

ARTICLE 11

Interest

1. Interest arising in a Contracting State and paid to a resident of the other Contracting State may be taxed in that other State.

2. However, such interest may also be taxed in the Contracting State in which it arises, and according to the laws of that State, but if the recipient is the beneficial owner of the interest the tax so charged shall not exceed 15 per cent of the gross amount of the interest.

3. Notwithstanding the provisions of paragraph 2,

- (a) interest arising in a Contracting State and paid in respect of a bond, debenture or other similar obligation of the government of that Contracting State or of a political subdivision or local authority thereof shall, provided that the interest is beneficially owned by a resident of the other Contracting State, be taxable only in that other State;
- (b) interest arising in Cyprus and paid to a resident of Canada shall be taxable only in Canada if it is paid in respect of a loan made, guaranteed or insured, or a credit extended, guaranteed or insured by the Export Development Corporation; and
- (c) interest arising in Canada and paid to a resident of Cyprus shall be taxable only in Cyprus if it is paid in respect of a loan made, guaranteed or insured, or a credit extended, guaranteed or insured, by the Export Credit Insurance Service of the Ministry of Commerce and Industry.

4. The term "interest" as used in this Article means income from debt-claims of every kind, whether or not secured by mortgage, and whether or not carrying a right to participate in the debtor's profits, and in particular, income from government securities and income from bonds or debentures, including premiums and prizes attaching to such securities, bonds or debentures, as well as income which is subjected to the same taxation treatment as income from money lent by the laws of the State in which the income arises. However, the term "interest" does not include income dealt with in Article 10.

5. The provisions of paragraph 2 shall not apply if the beneficial owner of the interest, being a resident of a Contracting State, carries on business in the other Contracting State in which the interest arises through a permanent establishment situated therein, or performs in that other State independent personal services from a fixed base situated therein, and the debt-claim in respect of which the interest is paid is effectively connected with such permanent establishment or fixed base. In such case the provisions of Article 7 or Article 14, as the case may be, shall apply.
