

Tableau 3 :
Certains exemples de grappes de haute
technologie et de R-D

REGION	ZONES DE HAUTE TECHNOLOGIE	SECTEURS	UNIVERSITÉS	AUTRES INSTALLATIONS
<i>Corridor de l'Est</i>				
Nord de la Nouvelle-Angleterre	Boston/Cambridge- "Route 128"	Sciences de la vie- Biotechnologie TI-Optoélectronique, Logiciels, Télécommunication, Semiconducteurs	MIT, Harvard, U of Massachusetts, Boston Optoelectronics Center	BASF Biotech Lab, Massachusetts Biotech Research Institute, CENTech Park
New York Sud/Métro. et Connecticut	New York Métro	TI-Télécommunication, Multimédia	Rockefeller U, Rensselaer Polytechnic Institute	Bell Labs, David Samoff Lab
New Jersey et Delaware	Wilmington/Newark, Princeton	TI Sciences de la vie-Environnement	Purdue U, U of Delaware	Dupont Facilities
Moyen-Atlantique	Baltimore/Washington	Sciences de la vie- Sciences biologiques TI-Télécommunication,	U of Maryland, Johns Hopkins	NASA Langley Research Center, Center for Advanced Research in Biotech, Biocore (Biomedical Research Lab)
Lacs de l'Est	Rochester	TI-Optoélectronique	U of Rochester, Rochester Institute of Technology	Ben Franklin Technology Center, Bausch & Lomb Labs, Eastman Kodak
Sud-Est	Research Triangle Park, Atlanta/Gwinnet County	Sciences de la vie- Biotechnologie, Produits pharmaceutiques, Agrobiologie, Environnement TI-Télécommunication, Semiconducteurs	Duke, UNC, NCSU, U of Georgia, Medical College of Georgia, Georgia Center for Advanced Telecoms Technology	NC Biotechnology Center, MCNC Microelectronic, Research Triangle Institute, National Institute of Environmental Health Sciences, Manufacturing Research Center
<i>Corridor du Midwest</i>				
États du Centre	Chicago	TI* Fabrication de pointe Sciences de la vie-	U of Wisconsin, U of Missouri, U of Illinois Biotech Center, U of Chicago	Chicago Manufacturing Centre, Illinois Hazardous Waste Research & Info Center, Argonne National Lab, Fermi Lab, Battelle Institute
États des Grands lacs	Detroit/Ann Arbor	Automobile Fabrication de pointe	U of Michigan	National Center for Manufacturing Sciences, Detroit Testing Lab, Inc
Centre-Ouest	Minneapolis/StPaul/ Rochester (Medical Alley)	Sciences de la vie-	U of Minnesota, U of Iowa	Mayo Clinic
Sud-Ouest	Dallas/Austin/Fort Worth, Houston/San Antonio, Richardson-Plano "Telecom Corridor"	TI-Télécommunication, Aérospatiale Sciences de la vie- Produits chimiques	U of Texas, U of Texas Southwestern Medical School	Texas Healthcare & Bioscience Institute, Texas Medical Center, Southwest Research Center, Houston Advanced Research Center
<i>Corridor de l'Ouest</i>				
Californie	San Francisco/Bay Area, San Jose/Silicon Valley, Los Angeles/Orange County/San Diego/Santa Barbara	TI-Logiciels, Matériel, Semiconducteurs Sciences de la vie- Biotechnologie	Stanford, Berkeley, Cal Tech, UCSD, UCSD Center for Wireless Communications	Science Applications Int. Corp, Bell Communications Research, Linkabit-Qualcom
Nord-Ouest	Portland/Seattle	TI-Logiciels, Télécommunication, Sciences de la vie- Biotechnologie	U of Washington, Washington State U	Pacific NW National Lab, Fred Hutchinson Cancer Research Center

* TI - Technologies de l'information
