Government Notice of Motion having been called as follows:

That the Standing Orders of the House be amended by adding the following new Standing Orders immediately after Standing Order 75:

75A. When a Minister of the Crown, from his place in the House, states that there is agreement among the representatives of all parties to allot a specified number of days or hours to the proceedings at one or more stages of any public bill, he may propose a motion, without notice, setting forth the terms of such agreed allocation; and every such motion shall be decided forthwith, without debate or amendment.

75B. When a Minister of the Crown, from his place in the House, states that a majority of the representatives of the several parties, including that of the Government, have come to an agreement in respect of a proposed allotment of days or hours for the proceedings at any stage of the passing of a public bill, he may propose a motion, without notice, setting forth the terms of the said proposed allocation; provided that for the purposes of this standing order an allocation may be proposed in one motion to cover the proceedings at both the report and the third reading stages of a bill if that motion is consistent with the provisions of Standing Order 75(13). During the consideration of any such motion no member may speak more than once or longer than ten minutes. Not more than two hours after the commencement of proceedings thereon, Mr. Speaker shall put every question necessary to dispose of the said motion.
