

also no basis for another interpretation. This interpretation of the term 'territory' is also supported by the fact that the word 'territory' is used in the same context in the 1970 Constitution of the Federal Republic of Germany. In this context it is defined as follows: 'Territory' means the area which is under the jurisdiction of the Federal Government or of a State Government or of a local authority or of a community or of a corporation of citizens or of a corporation of citizens and local authorities.¹

3.3. *territory*

territory

In this section the term 'territory' will be interpreted as 'territorial unit'. This interpretation is based on the following:

(1) The term 'territory' is used in the same context as the term 'territorial unit'. The term 'territorial unit' is used in the same context as the term 'territory'.²

(2) The term 'territory' is used in the same context as the term 'territorial unit'. The term 'territorial unit' is used in the same context as the term 'territory'.³

(3) The term 'territory' is used in the same context as the term 'territorial unit'.⁴

(4) The term 'territory' is used in the same context as the term 'territorial unit'.⁵

(5) The term 'territory' is used in the same context as the term 'territorial unit'.⁶

(6) The term 'territory' is used in the same context as the term 'territorial unit'.⁷

It is clear from the above that the term 'territory' is used in the same context as the term 'territorial unit'. This interpretation is also supported by the fact that the word 'territory' is used in the same context in the 1970 Constitution of the Federal Republic of Germany. In this context it is defined as follows: 'Territory' means the area which is under the jurisdiction of the Federal Government or of a State Government or of a local authority or of a community or of a corporation of citizens or of a corporation of citizens and local authorities.¹
