

TESTIMONIALS.

ROBERT ARTHUR, Machinist, Hamilton,
 is one who offers his name for publication,
 having been completely cured of *Nervous
 Debility* by the use of **DR. J. BELL,
 SIMPSON'S SPECIFIC & TONIC PILLS**.
 He has also recommended them to many
 others and always with satisfactory result.

Others write—

"I feel like a different man."

"Your medicine is doing me a great
 deal of good."

"Thanks to your medicines, I feel
 myself restored to health again."

The above are only specimens of
 hundreds of letters we have received.
