

SPORTS AND GAMES GALORE  
AND EVERYBODY WAS HAPPY

Baseball, Lacrosse, a Baby Show, Running and Swimming Races, Dancing, and Twelve Bands Provided Amusement at the Lennox Picnic.

**A Staff Reporter.)**  
JACKSONVILLE, July 15.—Between 13,000 and 16,000 people, an estimate, attended the Herb Lennox Memorial at the North York Conservative Association grounds here today. The crowd was enormous, although the park, the large area of the park, and long-bowed, every inch of shaded grass was occupied.

For hours this morning every road leading to the Point was occupied by a stream of cars, trucks, motorcycles, and pedestrians. Motorists, farm vehicles, and pedestrians, however, for all the rigs could not be found in the park, and hundreds were left for the

majority of them, or at any rate, four or five thousand, gathered around to see the soccer game.

A team from Aurora were playing against the Maitlands of Toronto, and the Maitlands, who are known to be not so harmonious as the administrative departments. As it turned out, the Maitlands were the victors in their Toronto opponent's, either at playing or fighting, and Maitlands won by a score of 2-0.

A soccer series was decided during the afternoon between teams from Island River and Maitlands. The first game went to Island River by an 8-0 score, and the Maitlands obtained the short end of an 8-0 score.

The south train brought in eleven or twelve hundred, of which eight hundred were from Toronto, and the rest picked up at other stations.

packed up at stations along the way. The Islay, from Barrie, and the Otonabee, from Orillia, were packed with a holiday crowd when they docked. And each Metropolitan car bore more than its full complement of passengers to the Point.

In addition to the crowds from the north and south, all the cottagers at the Point were in evidence. Their summer costumes stood out in bold contrast to the "red" looking coats and serge dresses worn by most of the visitors.

The heat was intense, even in the thickest shade, and this fact rendered less acute in many cases the food question. Every place where a meal could be obtained was early besieged and they were not a few who despaired

of getting anything and decided to go dinnerless. An hour later they did not regret it, for the sun's rays beat down so fiercely that the very thought of food became repulsive.

In the meantime, the afternoon's entertainment was getting under way. A

when she grows up.

**Aquatic Sports.**

It was late before the aquatic sports were got under way, but once started they proved a most interesting feature of the day. Especially so the greasy pole, which had been well coated with black grease. One after another the boys

baseball game between Uxbridge and Newmarket proved almost as great an attraction as the speakers. Indeed, indeed, the Guelph Canadian League Club would not be so anxious to withdraw if they could get half as large an attendance every day. The Conserva-

Ventured along it, only to slip after a few feet had been successfully manoeuvred.

The results of the water sports were as follows:

Swimming under water (open) — 1, Macdonald; 2, Marshall; 3, Davis.

Swimming, boys under 12 years — 1,

five fans crowded to within six feet of the catcher, swarmed down on the base lines, and were on the point of removing the umpire forcibly when he decided that the best thing to do was to resign. Uxbridge won out by a score of 17 to 3.

Rowley; 2. Marshall; 3. Preston.	
Walking greasy pole, boys under 17 —	
1. Pollock; 2. Taylor; 3. Thayer.	
Walking greasy pole, boys under 14 —	
1. Thayer; 2. Murphy; 3. Thayer.	
Swimming, 440 yards (open) — 1. Read;	
2. Sanders; 3. Hachborn.	
Twelve Bands.	8

The steamboat wharf was all afternoon a scene of turmoil. Two of the bands which had marched with the procession from Sutton in the morning, were stationed on board the excursion boats, and these latter were making half-hour trips on the lake at 10c a

The hottest and seemingly most un-

comfortable corner of the park was the dance hall, where sets of lancers, polkas and other country dances were engaged in all day. A supper-time street car in Toronto would seem as roomy as the Sahara desert after an hour in that place.

**All Wore Badges.** But all of the 15,000 enjoyed themselves. They drank "cold stuff" by the quart, and bought razors and handkerchiefs and all sorts of other things they didn't want. They wore conspicuously the bright badges labeled "Our

Herb, and "Borden stands for a United Empire." And when a slight started on the lacrosse field, the ma-

most alone in their enjoyment of it, for by boat, train, trolley, motor, democrat and buggy, the 15,000 picnickers had gone home.

## KIRKLAND LAKE

## TRAIN COVERED BY

# A WONDER CAMP

# RISE IN WATER

**Strict Where Spectacular  
Gold Ore Is Being Found.**

The situation here is much the same as it was in Cobalt in the early days. Great crowds are at the station on the arrival of the trains, their faces filled with expectancy, and all exceedingly optimistic.

being made every day along the belt from the township west of Teck to the eastern boundary of McVittie Township, 18 miles to the east.

The great sensation at present is the new find on the Burnside property. The veins of fire now veins have been

**Current.**

MARIETTA, Ohio, July 16.—To be rescued from their train in a boat and then stand on a stump.

Some four or five new claims were located and then stand on a hill nearby and picked up on this ground during the past two weeks, all showing good values, but the latest one, which was uncovered on Friday, shows probably the richest gold ever seen in Canada. Free gold and sylvanite appear on the surface. Old-timers, who have watched the water of an overflowing creek rise until it had entirely covered the coaches, was the experience of 80 passengers on a Pennsylvania train which left Marietta today. Most

The Wettlaufer and Teck-Hughes are also fortunate, both having excellent ore, and likely to be big producers. The No. 2 vein on the Teck-Hughes is particularly promising.

The government road is completed to this city this evening, many walking the seven miles from Stanleyville, where the accident occurred. The crew attempted to run the train thru the shallow water that had covered the track near Duck Creek.

thru to Kirkland Lake, and is in fine condition for traffic.

So far as my observation goes I would say that no camp has ever been opened up in Canada, and not for many years in any part of the world. That, promised so much as Kirkland

## J. Tait Wins Quarter Mile From Scratch

The West End handicaps last night at the Varsity field resulted as follows:

Senior Events

880 yards—1. J. Tait (scratch); 2. H. Phillips (scratch); 3. H. Marshall, 50

yards. Time 1:59.  
2 mile run—1. D. H. Campbell (scr.);  
2. H. Phillips (scr.); 3. A. Sellers (25  
yards). Time 10:18.  
Running broad jump—1. E. Campbell  
(3 feet), 19 feet 2 in.; 2. E. Lee (2 feet),  
19 feet 1½ in.; 3. E. Rolph (3 feet), 18  
feet 5 in.

**Junior Events**  
440 yards—1, H. H. Cullough (30 yds.); 2, B. Kline (30 yds.); 3, G. Wood (60 yds.). Time 53.04.  
8 in.; 2, G. King 9 ft. 3 in. mfwy hm (8 in.); 9 ft. 3 in.; 2, G. King (11 in.); 9 feet 2½ in.; 3, N. Green (8 in), 9 ft. 2 in.
