portant waters of the continent declare that the fishing in Timagami cannot be excelled. Lake Timagami with its six-teen hundred islands and three thou-sand miles of shore line is the home of the black bass, the brook trout and other game fish, while the innumerable smaller lakes are also well stocked. There are no hardships to be en-countered in reaching Timagami. A few minutes after leaving the Grand Trunk through train from Toronto the sportsman finds himself in the bosom of the forest and in a labyrinth of isof the forest and in a labyrinth of is-lands, inlets and channels, inviting him lands, inlets and channels, hiviting him to go north, south, east and west. There are good outlitting facilities and also some boarding establishments, but this great region is still absolutely unpoiled.
