Under the new system letters may be deposited in any letter box in the city as late at 12.29 a.m. with the assurance that they will be collected the same night and leave on the morning trains. In the specifications recently sent out to the would be tenderers this is stipulated. In future five wagons will leave some central point at 12.30 sharp every morning, visiting every box in the city. The most outlying point in the city will share equally with the most central. It is the intention of the government to instal 180 new boxes in the near future, and provision for this was likewise embodied in the new contract.

'He is So Good, You Know,' Tilt Between Members of Committee.

Ottawa, June 8 .- The meeting of the arliamentary committee on agriculure this morning witnessed some lively altercations between members and scraps of spicy evidence from the ness, Alfred Jury.

At the opening of the committee Mr. fury explained that he was in error at a former examination when he said that he had asked Mr. MacDonald of Pictou to put certain questions to him and that the member declined.

Mr. Monk asked him to explain what ne meant by saying he had applied for shares in the North Atlantic Trading Company, and Mr. Jury replied by reading a letter he sent to Mr Preston, asking, sarcastically, for some Preston, asking, sarcastically, for some shares. It was obviously not a sincere application. Mr. Monk asked the reason of the disagreeable relationship between Mr. Jury and Mr. Preston. "I object to that question," interposed Mr. Carvell. "Are you solicitor for the defence?" asked Dr. Sproule. "I am a member of the committee," replied Mr. Carvell, somewhat warm-

PAID WITHOUT A MURMUR. Contractor Who Laid Galt Sewers Performed Work Well,

Galt, June 8 .- (Special.) -To-night a final settlement was effected with T. McLaughlin, sewer contractor, whose contracts are up, and who was paid up in full, extras of over \$100 included. without any dispute or difference what-

This happy settlement of accounts on work extending over two years, and involving an expenditure of a quarter of a million dollars, is perhaps unique

in the affinals of contracting.

The sewer committee, of which Ald.

J. H. Fryer is chairman, have manifested the utmost interest in, and shown the keenest attention to, all details of the work since its beginning, and in the final settlement, are first to admit that the town has had full value for every dollar spent on a sewerage system that is believed to rank with any other in the Dominion of Canada.

The balance due the contractor was
\$17,651.88, including \$1200 for extras.

This was passed. This was passed.

The number of miles of sewer laid is 10.17; number of miles of storm drain, 6.4; number of streets served. 42; duration of work, nearly two years.

TOWN LOTS IN BRANDON

An Opportunity to Share in The Growth and Prosperity of This

Mr. Monk asked if Mr. Jury could tell why Mr. Preston took so much interest in Leopold's labor bureau.

Mr. MacDonald, Mr. Ethier, and Mr. Carvell all contended that this rnswer would not be genuine evidence. Mr. Jury's opinion as to a man he disliked should not be taken.

Mr. Jury read a letter which he thought was a threat by Mr. Preston The contract for collecting the mails that he would establish more labor in the City of Toronto for the next bureaus.
