A young lady prostrated with nervousness and heart trouble restored to perfect health by MILBURN'S HEART AND NERVE PILLS.

THERE are too many pale faces, palpitating hearts, weak, nerv-ous, run down constitutions among the young women of this generation. More nerve force, more rich blood, more vital energy for the heart is what they need, and Milburn's Heart and Nerve Pills is the very remedy that meets all the requirements necessary to give them bounding health.

them bounding health.

"To prove these statements we give an account of her daughter's cure, supplied us by Mrs. Jas. Scott, 221 Emerald Street, Hamilton, Ont.: "Five years ago my daughter had a severe spell of sickness and has been an invalid ever since. She had no strength and could not sleep at night, often having to sit in a rocking chair all night on account of the shortness of breath. She suffered greatly with pains in the heart as well as palpitation, and was very nervous and easily startled, so was very nervous and easily startled, so much so that any noise or excitement would make her tremble like a leaf.

"She commenced taking Milburn's Heart and Nerve Pills and has now taken three boxes in all. Constant improvement has been the record of this medicine in her case. She finds no difficulty in walking down town and back, something she was unable to do for many months. She sleeps well, eats well and is not troubled with the distressing shortness of breath which afflicted her before she took the pills. I am thankful we tried this valuable ine as the results in my daughter's medicine as the results in my daugnter's case have been gratifying in the highest degree." (Sgd.) Mrs. Jas. Scorr.
