Miners' Union to Sir Wilfrid Laurier: Miners' Union to Sir Wilfrid Laurier:

"One thousand Canadian miners of the Slocan, with their wives and families, are being driven out of Canada by the importation of foreign labor from the United States. The mine owners of the Slocan are importing men to take our places. Our wives and families, and all others dependent on our labor, as well as we ourselves, appeal to you to assist us in securing the enforcement of the alien labor law. As British subjects, we naturally resent the circumstances which are driving us from our native land. Will you, as First Minister of the Crown, secure for us the protection which the alien labor law provides? Please assure us by an immediate reply that we will have your co-operation."
