CLUB HOUSE BILLIARDS REQUIRES NO LICENSE

Judgment Given in Dominion Bowling and Athletic Stated Case.

Judgment to set aside the conviction has been given by chief Justice Falconbridge and Justice Britton, Justice Riddell dissenting, in the divisional court, in the stated cases, the King v. Dominion Bowling and Athletic Club. The effect will be to permit clubs to have billiard tables without city 11-

Judgment (Harman) was on the case stated by R. E. Kingsford, one of the police magistrates for Toronto. An information was laid on the 12th Jan. 'ast against the Dominion Bowling and Athletic Club for that it did contrary Athletic Club for that it did contrary to law for hire or gain keep or have in its possession and on its premises billiard tables without having any livense therefor contrary to the bylaw of the police commissioners of the City of Toronto.

On the hearing of the evidence the police magistrate found the accused "not guilty." Upon request, a stated case was granted. It was held (1) that the club is not liable to a penalty for not taking out a license under bylaw

23; (2) that the word person as used in the byław includes an incorporated company, (3) The Dominion Bowling and Athletic Club upon the facts stated did not as charged carry on business for hire and profit within the provisions of the municipal act.

No order was made as to costs.

GET THE NAMES RIGHT.

The monument to be erected in ToFonto in memory of the Canadian soldiers who lost their lives in the Boer War in South Africa, will bear their names inscribed in bronze.

In order to ensure absolute correctness in these names and that rone be
omitted, the committee in charge have
had copies of the official list printed.
These can be had by any of the relatives of the dead soldiers upon applieation to Colonel Mason, henorary

"Malaria and Mosquitoes." The first public lecture of the series offered in connection with the summer session of the University of Toronto will be given by Professor Ramsay Wright to-morrow evening at 8.15 in the large amphitheatre lecture room of the physics building. Prof. Wright will deal with the life history of the sistant professor of political economy at Queen's University. They have gone down to New England resorts to spend the next few months. Norman Bassett of Whithy was grownsman.

Will deal with the life history of the malaria bacteria, showing what happens in the mosquito and what takes place after the bacteria reaches man's blood. The lecture will be fully illustrated by diagrams. The public is invited.
