PIPERS GAVE BANQUET.

Musicians of 48th Entertained Black Watch Visitors.

The Pipe Band of the 48th Highlanders tendered a complimentary banquet to the Pipe Band of the 42nd Highlanders (Black Watch) at the Merchants' Hotel last night. The banqueting room was gaily decorated with Scotch emblems and flags. Pipe Major Beeton occupied the chair. After doing justice to the menu, the toast to "The King" was proposed by the chairman. The toast to "The 42nd" was proposed by Col. MacDonald and replied to by Major Rose of the 42nd Highlanders, who thanked the officers for the excellent time afforded them. The toast to "The 48th Regiment" was proposed by Alexander Fraser, grand chief of the Sons of Scotland, who appealed to the visitors by the way that Canadians were keeping fresh the memories of the old land. Major Hendrie replied in suitable terms. A letter was received by the secretary, Pipe Sergt Currie, from Mayor Urquhart, stating that urgent business required him elsewhere. The toast to "The Empire" was proposed by Major Michie and responded to by Major Robertson.

The committee deserve great credit for the manner in which they handled all arrangements, providing an excellent program. The invited guests present were: Major Rose, 42nd; Bandmaster Murray, 42nd; Pipe Major Clark, 42nd; Pipe Major Manson, 5th Royal Scots, Montreal; Col. MacDonald, 48th; Major Michie, 48th; Bandmaster Slatter, 48th; Mr. Simpson, president Caledonian Society; Major Robertson, 48th; Alex Fraser; Major Hendrie, 48th; Sergt.-Major Harding, Royal Grenadiers; Sergt.-Major Kirkmass, 48th.

Battle of Liaoyang Continues With Little Cessation.

Tokio, Sept. 2.—(10.30 a.m.) — The fighting at Liaoyang was continued until a late hour last night. It was resumed at dawn to-day. The fate of the great bulk of the retreating Russian army hinges upon the bravery and fortitude of its left flank.

Before falling back, Kuropatkin intended that his left to the eastward and northward of Liaoyang, should be greatly strengthened, in the hope of checking Gen. Kuroki's advance around his flank, and to protect his line of retreat and communication. The greatest portion of this protecting force seems to have been massed in the neighborhood of Heiyingtai, 12 miles northeast of Liaoyang, where its was fiercely assaulted by Gen. Kuroki at 11 o'clock Thursday morning.

The result of this fighting is not known. If Gen. Kuroki wins and strikes the flank of the retreating Russian army and reaches the railroad, it will place the Russians in a serious predicament. Yesterday the Japanese managed to interfere seriously with the train service from Liaoyang. They used some guns captured from the Russians, together with some of their own, to bombard the railroad station at Liaoyang, thus preventing the entraining of Russian troops. Few details of the pursuit of the Russian right have been received here. It is evident that the Russians are moving back slowly, contesting the ground and shielding their movements as far as possible.

Casuality List Grows.

Nothing concerning the actual occupation of Liaoyang has been received here. Official despatches indicate that the Russians were still in possession of Liaoyang this (Friday) morning. The list of casualties in the fighting before Liaoyang is growing, and the indications are that it will prove to BE THE BLOODIEST BATTLE SINCE THE FRANCO-PRUSSIAN WAR. The calculations of casualties must include the loss since Aug. 23, for the contest has been practically continuous since then. THE JAPANESE HAVE ALREADY REPORTED OVER TWENTY-FIVE THOUSAND MEN KILLED AND WOUNDED.

A few additional details of the progress of the battle at Liaoyang reached Tokio at a late hour to-day. Gen. Kuroki's right is continuing to press the attack at Heiyingtai, seeking ground whence their guns will dominate the railroad. The troops under Gen. Kuroki, are jaded and weary. They have been marching and fighting since Aug. 23, but in spite of this, they attacked with spirit. The Japanese are confident that they have already swept back the strong Russian force with which they have been engaged, and it is probable that when the details are known it will be found that a great tragedy was enacted today along the Taitse River. This is flooded and cannot be forded. Gen. Oku, in command of the left flank of the army, has directed his energies to forcing the Russians to the river, and it is probable that many were drowned there.

Fires Rage at Liaoyang.

A private despatch received here reports that great fires are raging at Liaoyang. This statement is not confirmed officially. The fires are believed to have resulted from the Japanese shelling or from efforts of the Russians to destroy their stores previous to the evacuation of Liaoyang, with the additional hope of injuring the city as a future Japanese base.

Unofficial estimates place the Russian forces in the vicinity of Liaoyang at 15 divisions of 15,000 men each. These are probably excessive, but it is evident that, numerically, the Russians exceed the Japanese.

Russians Loose 30,000.

The opinion that the Russian casualties in the recent fighting will reach 30,000 is confidently expected in high quarters here. Neither Field Marshal Oyama nor the Japanese army commanders have yet estimated the Russian losses.

It seems that the Japanese avoided a direct assault upon Liaoyang itself, but devoted their energies to the troops outside the city, and an effort to cut off the Russian retreat. Liaoyang is strongly fortified, and it is probable that the Japanese will not attack the city directly until they have succeeded in isolating it. Should the Russians abandon Liaoyang, the Japanese will, of course, enter.

BOY'S LOWER JAW LAID BARE.

Hoist Slipped and Grazed His Face in Its Rapid Descent.

Herbert Jones, aged 14, an employe of the Morton Check Book Company, 46 West Richmond-street, and residing at 11 Northview Terrace, met with a painful accident yesterday afternoon.

He was standing on the basement floor of the building, looking up at a descending hoist. Thru some unknown means the elevator slipped and fell, grazing Jones' face.

He was carried to the Emergency Hospital by fellow employes, where it was found that the flesh was torn away from the lower jaw, exposing the lower set of teeth.

It was thought at first that the injury was fatal, but the patient is doing very well under the circumstances.

A PAIN ACROSS THE STOMACH

Can Always be Relieved by a Few Doses of Dodd's Dyspepsia Tablets

"I could not take the simplest food without a pain across my stomach." That was the miserable condition Marie Ann Bujold, of Maria Cap, Bonaventure County, Que., was in. Thousands of Canadians could sympathize with her. For they know just how miserable she was. They are that way themselves. But listen to the rest of Miss Bujold's experience:

"I finally consulted the doctors, but they did me no good. Then an advertisement led me to try Dodd's Dyspepsia Tablets. One box completely cured me."

No one can appreciate the amount of condensed happiness contained in a box of Dodd's Dyspepsia Tablets till they have suffered as Marie Ann Bujold did, and found the relief that came to her. That relief can always be found in Dodd's Dyspepsia Tablets.

AUSTRALIAN EX-PREMIER IN TOWN

Hon. W. H. Irvine en Route for Home After European Trip.

This city has a distinguished visitor in the person of Hon. W. H. Irvine, late premier of Victoria, Australia, and an eminent figure in Australian politics for the past twenty-five years, who is stopping at the King Edward. Mr. Irvine has been traveling in Europe for the past six months in search of health, and is returning to his home by way of Canada. During his absence he has been re-elected to the state parliament for the constituency of Lowern.

In conversation with a World reporter last evening, Mr. Irvine said Australian prospects for industrial and commercial expansion had distinctly improved of late, altho the effects of the late drought could still be felt.

The political situation had improved. The labor party had been defeated and the prospects for Premier Reid forming a successful government were bright. Public opinion was strongly in favor of the Chamberlain tariff proposals. The government contributed at the present time $200,000 to the British navy. He did not think this amount would be increased in view of the fact that many people, especially the adherents of the labor party, opposed the granting of subsidies of any kind in this connection.

He expressed himself as very favorably impressed with Canada, which he considered was a great country with marvelous resources. He thought that Australia and Canada could not court comparison, conditions were so divergent.

Mr. Irvine is accompanied by his wife. They will leave shortly for the west, sailing for home on or about the 22nd inst.

CHANGED GRAND CIRCUIT DRIVERS

After Being Third in First Heat, McKinley Won the 2.06 Trot.

Providence, Sept. 2.—The Grand Circuit meetting at Narragansett Park closed to-to-day.

The judges announced their decision regarding the taking out of R. A. Smith from behind Sweet Marie in the Roger Williams race of last Wednesday, and substituting Alta McDonald, and suspending Smith for the balance of the season and awarding to McDonald $1000 from the winnings of the mare.

The most important race to-day was the 2.06 trot. Feronа, an even choice, took the first hetat. Boone then relinquished the seat behind McKinley in favor of Alta McDonald, who, in hot finishes, captured the next two heats and the race, and in the second heat equaled the best trotting time in any race of the year—2.06¼, made by Sweet Marie. The time of the race established a new three-hetat record for the season of 1904, formerly held by Ozanam.

Zambia was first picked to win the 2.19 trot, but at the post Noretta jumped into public favor, closing even against the field, but the heats were distributed among the four horses entered, until Kyrillic finally captured the seventh heat and the race.

Day Book was favorite in the 2.16 pace and won easily.

In the 2.10 pace Red Bird sold even up and won in straight heats. Summary:

Although there is already to the credit of our Cloak and Suit Department several offerings of Women's Raincoats, we think this lot for Monday overshadows the best of them.

The Raincoats for Monday include some of the newest and most becoming styles for fall wear, made of fine cravenette, full length, with three small capes and belt all around; other styles strapped and belted; then there are a few in three-quarter length, made of pretty rainproof tweeds, silk lined all through, belted back, regular values $15, $18.50 and $22.50; on sale Monday from 8.30 a.m. to 1 p.m., at, each
