

Does not our motto, "For Christ and the Church," call for our highest endeavour?

Our Society is not as large as we should like, for which we might blame the earliness of the hour of meeting. The roll started with 16 active members, to which 8 have been added during the year. We regret the loss of our former president, Mr. T. D. Patton, who has left the city to study for the Y. M. C. A. work.

There are three committees in connection with the Society,—the Lookout, Prayer-Meeting and Social. The Lookout Committee bring in new members, welcome strangers at Church, and invite them to the services. The Prayer-Meeting Committee arrange the topics and have charge of the weekly prayer meetings. The Social Committee welcome strangers at the meetings, and issue written invitations to the Church services every Sunday to the guests at three of the city hotels. Thus we have between 15 and 20 young Christians engaged in active work for Christ, and constantly exerting a "leavening" influence on the young people of the Congregation. May we earnestly pray that this coming year, by the aid of our Pastor, we may help to draw some soul into the fold "for Christ and the Church."

REPORT OF YOUNG PEOPLE'S ASSOCIATION.

Honorary President.—REV. W. H. PULSFORD, M.A.
President.—DR. F. A. STEVENSON.
Vice-President.—MISS JAMIESON.
Secretary-Treasurer.—MR. W. H. BLACK.

The Association reassembled for the winter's work on Oct. 21st, when the above officers were elected.

It was decided to take up "Topics of to-day, as embodied in current literature," and a very varied and instructive list of subjects has been provided for the members to choose from. The programme of each meeting is provided by a committee elected for the occasion. This gives an opportunity for every member of the Association to help, and the meetings, in consequence, grow larger and more instructive from year to year.

The meetings are held every alternate Tuesday, either in the Church parlour or at the house of one of the members of the Church. All young people who attend Emmanuel Church are considered members of the Association, and it is hoped that any who have recently come among us will be present at the meetings, so that they may become acquainted with the young people of the Church.

(Signed,) W. H. BLACK,
Sec.-Treasurer.
