BASEBALL Dufferins vs. Moncton

The baseball team, composed of the Dufferin Hotel employees, will play the Moncton Hotel Club on the Victoria grounds Sept. 15.

The Dufferin boys have been playing good ball this season and it is hoped that a good crowd will see the game and give the boys encouragement.

Hampton vs. St. Roses On Saturday afternoon at Hampton, one of the most interesting ball games of the season was played between the Hampton A. C. and St. Rose's of Fairville.

Although the game went against the home team, the contest was so close that it was anybody's guess at the end of the last inning. The score was 7 to 6 in favor of the "St. Roses."

The "Hampton" battery seemed as great a puzzle as ever and the support been a little sharper than usual might have been different.

The double umpire system did not give as good satisfaction as it should have, but aside from that everything was entirely satisfactory.

The two games booked for the day will be the Martellos postponed on account of the weather.

WORLD'S RECORD EQUALLED AT MONTREAL

Montreal, Sept. 4.—(Special)—At the Caledonia games here today J. W. Morton, the English champion sprinter, who had equalled the world's record for the 100 yards, the performance was on a wet track and more remarkable because Morton had not been on a running track since June, P. J. Walsh, the N. Y. A. C. crack, was third.

Morton finished four yards ahead of the second runner, P. J. Walsh, who was also on a wet track. The race was a close one, but Morton's performance was a record.

BOXING ROWING THE TURF BOXING BOUT AT DIGBY

Littlejohn and Bailey in a Ten Round Mill—It was a Draw --Bailey Makes a Good Showing.

Digby, Sept. 4.—(Special)—The disagreeable weather in Digby today prevented all sport with the exception of the ten-round bout between Dan Littlejohn, of St. John, and Dick Bailey, of Digby, at the Opera House tonight.

It was largely attended, but the crowd was not so large as it would have been had the weather been more favorable.

The steamer Prince Arthur, which was booked for going on to Yarmouth, accompanied by the Yarmouth brass band, did not start on account of the disagreeable weather.

A large number were disappointed when, owing to the heavy rain, the horse racing was deferred.

But the crowd was determined to be present at the Opera House tonight to see the first boxing match ever held in this town.

Jack Power, of St. John, attended to the duties of referee in a satisfactory manner. Littlejohn's second was Henry Gardner, and Bailey's second was Dick Bailey.

Both presented a good appearance, and Littlejohn is certainly a without follow. This was his first bout on this side of the Atlantic.

Reference was made to the fact that Littlejohn had been in the ring for some time, and that he was a good fighter.
