The way to ward off old age is not to fear it, not to allow one's self to be oppressed by the dread of advancing years. Use only legitimate preventives and avoid trying experiments with preparations that have not stood the test of time. An entirely safe and very effective way to keep the complexion young-looking and beautiful is to apply ordinary mercolized wax at bedtime, using it like cold cream, washing it off in the morning. This gradually absorbs the withered, faded cuticle, which is replaced by the more youthful, pink-tinted underskin. One ounce of this wax, to be had at any drug store, is enough to completely rejuvenate a worn-out complexion. Crow's feet and other wrinkles, the first signs of advancing age, may be removed by a simple, harmless preparation made by dissolving an ounce of powdered saxolite in a saif pint witch hazel. # Instant Relief for

and other Liver Troubles

The astonishing efficacy of Dr. Cassell's Instant Relief is due to its toning effect upon the liver and bowels. It gives strength to the organs and helps them back to heath and natural action. In other words it enables the system to cure itself. Don't weaken your liver with purgative pills or morning salts, don't get the saltstaking habit; let Dr. Cassell's Instant Relief bring you natural and therefore lasting cure.

Dr. OHAS. F. FORSHAW, D.Sc., F.R.M.S., a well-known British Scientist, writes:—"Never take Salines or Purgatives for Constipation—to force Bowel action is to aggravate the trouble and create the Constipation habit. I recommend as a superior and convenient treatment Dr. Cassell's Instant Relief."
