ORDER RECOUNT IN QUEBEC ELECTION

Montreal, Sept. 8.—A recount of the ballots cast in the recent by-election in St. Antoine division which returned a majority of 938 votes in favor of Alderman Hushion, Liberal candidate, will be held next Thursday at the local court house.

The order for the recount was given after one of the scrutineers for the defeated Conservative candidate, William M. Birks, had presented a petition to Chief Justice Martin, alleging irregularities in one of the polls. Irregularities in other polls of the division also took place, the petition states.

INTEREST IS KEEN IN HOME NURSING

Classes Will be Organized in Various Places in New Brunswick

Interest in the home nursing classes which are to be organized in the province under the auspices of the Red Cross Society is both keen and widespread, judged by the number of inquiries which have been coming to the Red Cross depot.
Miss R. E. Hamilton, R. N., Dominion organizer for home nursing classes, who will spend two months in New Brunswick, is busy preparing her itinerary in the province and will probably commence her visitation of Red Cross centres some time next week. She may not confine her visits to Red Cross centres if there is a call for the organization of these classes where the Red Cross had no active branch.
Miss Hamilton is to speak at a meeting of residents of Westfield on Friday at the residence of Mrs. E. L. Jarvis and she is to speak at tomorrow afternoon's session of the convention of Graduate Nurses' Association of New Brunswick in the Health Centre. The Red Cross Society is arranging to hold its annual meeting in the near future and Miss Hamilton will address the branch on that occasion.

NURSES LEAVE FOR DUTY IN PROVINCE

Miss Alice McPhail, public health nurse, has gone to Rexton to take up her duties in public health work. Her services have been secured for that locality through the nursing fund of the Red Cross Society and she is working under instructions of the Provincial Department of Health.
Miss M. Campbell, public health nurse from the Health Centre, left yesterday for Woodstock, where she will take charge of a booth at the Woodstock exhibition for the Department of Health.

W. M. S. MEETS AFTER SUMMER VACATION

There was a large meeting of the members of the Women's Missionary Auxiliary of Centenary church yesterday afternoon in the church parlour, with Mrs. Robert G. Fulton, the new president, in the chair. This was the rally after the summer vacation and was encouraging in its interest.
The memorial service to the late Miss Annie Hea, superintendent of Christian stewardship, was conducted by Mrs. Charles Palmer. Mrs. Fulton gave the address of appreciation in beautiful language.

Reports were given by the following: Mrs. Ruthie McLaughlin, corresponding secretary; Mrs. Leigh Langstroth, recording secretary; Mrs. John Sealy, for Mrs. W. G. Smith, treasurer, and Mrs. J. E. Angeline, district report of convention held in Hampton, June 18. Mrs. C. D. Colpitts was appointed superintendent of the new society to be formed among the babies of the church, called the "Little Light Bearers." Mrs. J. F. Estey reported for the strangers' secretary department of which she is superintendent. Miss Margaret Seely reported on the sale for the Labrador.
Miss Hiscako Koke sang very sweetly; Miss Elizabeth Smith played for the hymns.

Mrs. Fulton, in taking the chair for the first time since her election last spring, said that she did so with much fear of incapability, following so efficient a leader as Mrs. C. F. Sanford who had set such a high standard in the auxiliary for several years. Mrs. Fulton said that each and every member would have to work faithfully to keep up the standard and to surpass it as the work must show progression, or fall in its objective. Mrs. Palmer closed the service with prayer.

ST. JOHN WOMEN TO HAMPTON, SEPT. 16

Institute Members to be Guests at Gathering in Kings Shiretown.

The members of the St. John Women's Institute will go in full strength to Hampton on Sept. 16 to be the guests of the Hampton Women's Institute. The invitation from the Hampton Institute was received at the meeting of the St. John Institute held last night in the Health Centre and was accepted with much pleasure. Mrs. T. N. Vincent, president, was in the chair and the meeting was well attended.
The various committees gave satisfactory reports and the treasurer's

statement showed a satisfactory balance in the bank. Mrs. Richard Hooper reported on the illustrated address on the Queen's Doll House which had been given with much success at the St. John Exhibition, and plans were made for giving the Queen's Doll House programme for charitable causes throughout the year.
Mrs. James H. Ross, of Hampton, was welcomed as a new member. Plans were made for holding an exhibit of old china in the near future. Mrs. Frank Boves very kindly offered her house for the holding of the exhibit and the offer was gladly accepted.
Congratulations were extended to Mrs. Hooper on winning first prizes at the exhibition for jelly and for honey and winning a silver cup for flowers. It was felt that Mrs. Hooper's success showed the worth of having Women's Institutes in the cities.

DEATHS

Mrs. Sarah Anderson.
Moncton, Sept. 8.—The death occurred this morning of Mrs. Sarah Anderson, at the advanced age of 92 years and 8 months, at the home of her son, Albert Wood, at Coverdale. The late Mrs. Anderson, who had been a highly respected resident of Coverdale for more than 35 years, was born in Harvey, Albert county. Albert Wood, of Coverdale, a son and Mrs. Anna Peck, of Portland, Maine, are the only survivors.

Patrick Flood appeared in the police court yesterday afternoon and pleaded guilty to having intoxicating liquor on his premises, Thorne avenue, contrary to the law. He was fined \$200, which he paid.

Conservation of Seeing Power

The amount of energy and nerve force you waste in straining your eyes for a finer point of vision than you are capable of, is a waste of seeing power that you cannot well afford.

Your Eyes Will Tell You!

If your eyes are laboring under an undue strain you must be conscious of something wrong. With normal sight you are never aware of "trying to see"—the eyes performing their function without effort. For your own good, allow us to make a careful and complete test of your eyes, which will prove whether or not they are in need of help.
