REFRACTORY MOTOR KEEPS

Interesting Experience of Party From Summer Colony at Kete STILWELL AGAIN REMANDED

A motor boat party consisting of J. J. Marshall, Dr. Robertson and W. Jones who set out from Ketepec on Saturday afternoon and were towed back about noon on Sunday, had a rather interesting experience and caused the Ketepec folk no little anxiety. In fact a search party was sent out.

out.

It appears they were rather inexperienced as engineers of motor boats, and after running up to Rothesay the motor refused to work. They rowed down as far as Sandy Point and spent the night, there crossing over in the morning to Millidge-ville, whence they got a tow home to Ketepec, very greatly to the relief of anxious friends.

Irwin Johnson, Young Son of Mill Popular Official Passes Away Early This Morning - Injured By a Fall-Widespread Regret

Chatham, July 31—A sad drowning fatality occurred at Loggiewille yesterday afternoon by which Irwin Johnston, aged 15 only son of Jas W. Johnston, foreman for A. & R. Loggie, lost his life. His companions swam out to the pier in the river and Johnston followed out half way but became exhausted and called to the others for help. Wilfred Manderson, who went to help, but by the time he had reached the others Johnston had loosed Manderson and sunk. The alarm was given and other help obtained but when the body was recovered shortly afterwards life was extinct. Decay the state of the same was reached a hear jumped, out of the woods about about twenty feet ahead of the ear. At this spot is a good stretch of road and the car was running at its limit.

Mr. Tweedie had little time to make up his mind what to do but managed to steer his machine aside sufficiently to miss the bear, which stood on' its hind feet with forepaws outstretched.

As the car passed the bear the animal let out a vicious swipe with her paw, which just caught the side of Shield's face with one claw, missing the eye. Had the paw caught Shields it would have torn the side of his face away entirely. As it was, it made a nasty wound which bled freely. The bear shood over six fact high, but was in poor condition.
