Ayer's Sarsaparilla

A compound remedy, in which we have la-
bored to produce the most effectual alterative
that can be made. It is a concentrated extract
of Para Sarsaparilla, so combined with other
substances of still greater alterative power, as
to afford an effective antidote for the disease
Sarsaparilla is reputed to cure. It is believed
that such a remedy is wanted by those who
suffer from Strumous complaints, and that one
which will accomplish their cure must prove
of immense service to this large class of our
afflicted fellow-citizens. How completely this
compound will do it has been proven by experi-
ment on many of the worst cases to be found
of the following complaints:—

SCROFULA AND SCROFULOUS COMPLAINTS,
Erysipelas and Scrofulous Diseases, Ulcers,
Pimples, Blotches, Tumors, Salt Rheum,
Scald Head, Syphilis and Syphilitic Af-
fections, Melancholic Diseases, Dropsy, Neu-
ralgia or the Nerve Diseases, Debility, Dys-
pepsia and Indigestion, Eczema, Piles,
or St. Anthony's Fire, and indeed the whole
class of complaints arising from Impurity of
the Blood.

This compound will be found a great pro-
moter of health, when taken in the spring, to
expel the foul humors which foster in the
blood at that season of the year. By the tim-
ely expulsion of these many rankling disor-
ders are nipped in the bud. Multitudes can, by
the aid of this remedy, spare themselves from
the endurance of foul eruptions and ulcerous
sores, through which the system will strive to
rid itself of corruption, if not assisted to do
this through the natural channels of the body
by an alterative medicine. Cleanse out the
vitiated blood whenever you find its impurities
bursting through the skin in pimples, eruptions,
or sores; cleanse it when you find it is ob-
structed and sluggish in the veins; cleanse it
whenever it is foul, and your feelings will tell
you when. Even where no particular disorder
is felt, people enjoy better health, and live
longer, for cleansing the blood. Keep the
blood healthy, and all is well; but with this
pabulum of life disordered, there can be no
lasting health. Sooner or later something
must go wrong, and the great machinery of
life is disordered or overthrown.

Sarsaparilla has, and deserves much, the
reputation of accomplishing these ends. But
the world has been egregiously deceived by
preparations of it, partly because the drug
alone has not all the virtue that is claimed
for it, but more because many preparations,
pretending to be concentrated extracts of it,
contain but little of the virtue of Sarsaparilla,
or any thing else.

During late years the public have been mis-
led by large bottles, pretending to give a quart
of Extract of Sarsaparilla for one dollar. Most
of these have been frauds upon the sick, for
they not only contain little, if any, Sarsapa-
rilla, but often no extractive properties what-
ever. Hence, bitter and painful disappointments
has followed the use of the various extracts of
Sarsaparilla which flood the market, until the
name itself is justly despised, and has become
synonymous with imposition and cheat. Still
we
