KATE YALE'S MAB "If I ever marry," Kate Yal half in jest, half in earnest, "th -or the unhappy one if you pl -hall be a person possessed qualifications :

First a fortune. Second, good looks.
Third, common sense. I mention the fortune first, 1 it the most needful and desire non of the three. Although I think of marrying a fool, or uglines I should be ashamed of to talk sense for the one, and other with plenty, of money,

ferable to living obscurely wit intellectual man-to whom ed I do not know how much ment came from Kate's heart. gdly indulged in lofty ideas o style-for her education in th ims of life had been deficient roneous: but that she was ca better feelings, none ever had obtained even a partial g

true woman's nature.

And the time arrived when take that all-important step of often spoken so lightly-when monstrate to her friends how heart was in the words we ha At the enchanting age of

had many suitors, but as she serious thought to more than follow her example, and discare except those favored ones, cor ative claims. If this were any other than

I should certainly use an arti and aim to produce an effect strong contrast between the to If I could have my own wa

be a poor genius and somethi the other a wealthy fool, and knave. But the truth is-

Our poor genius was not me nor very poor either. He was a teacher of music, and he co omfortably by the exercise the the most distant hope however taining to wealth. Moreover not possessed excellent qualit "fine character," by his "noble, good fellow," and by erally, a "darling."

Kate could not help lovin and he knew it. He was cer

ferred his society to that of A whom alone he saw fit to h appellation of rival.

This Mr. Wellington, (he called him "Duke,") was no i back, as I would have wished order to make a good story.

trary, he was a man of muc looks and polished manners, a nothing of the knave about hi could ever ascertain. Besides this, his income wa enable him to live superbly.

onsidered two or three degr than Frank Minot. Therefore, the only thing o had to depend was the power over Kate's sympathics and a "Duke." altho' just the man ! sense—had never been able out, and the amiable, conceit was not willing to believe th suffer mere worldly considera the aspirations of the heart.

However, one day,, when to declare his fate, she said t "Oh, Frank, I am sorry we "Sorry?"
"Yes, for we must part not "Part!" repeated Frank, t "Yes-yes," said Kate, cas head with another pitcous sig Frank sat by her side, he

around her wa'st without hee resistance; he lowered his ve to her until she—proud Kate 'Katie," said he, then, w passion, "I know you love m proud, ambitious, selfish!

would have me leave you, say "Go !" murmured Kate, "

"If are you decided?" white " have " " Phen, love, fare we'l." He took her hand, gazed a erly and sorrowfully, into her ful face, and then clasped he She permitted the embra pave way to the impulse, and

around his neck; but in a m
