Tunis, June 6.--A Turkish sailing vessel laden with contraband ammunition, which was bound for Tripoli, has been blown up in the vicinity of Port Zanzias by an entire crew as well as eighty fishermen, who were alongside at the time, were drowned. The vessel had on board a number of rifles and 500 barrels of powder. The local authorities learned that she was about to take advantage of the absence of the guard ships to try to disembark her cargo on the beach. They thereupon ordered a number of armed boats belonging to sponge fishers to prevent the landing. Twenty-four of these boats went out and surrounded the vessel and the men from them were just about to swarm aboard when a terrific explosion occurred. It is believed the captain fired his vessel to avoid capture. A majority of sponge boats went down with the vessel. Four acres of this property, which was in Tunis near Tripoli, Zanzias is in Tunis near Tripoli.

LIBERALS AND IRISH AFFAIRS

HOPE TO BE ABLE TO SOLVE DIFFICULTIES

Rejection of Mr. Birrell's Bill Will Not Affect Party's Policy Toward Ireland.

(Associated Press). London, June 7.--"The foremost Liberal principle of the government in the administration of Irish affairs is that they should be conducted in accordance with Irish ideas," said the Marquis of Ripon, lord privy seal and Liberal leader in the House of Lords, speaking last night before the Eighty Club at the Hotel Cecil. He referred to the withdrawal of Mr. Birrell's Irish council bill, and declared it was quite natural that the Nationalists should have rejected the measure when they honestly believed it would have been an obstacle to their ultimate goal--Home Rule.

NEWCOMER BOUGHT A LARGE ACREAGE

Max Enke Investing in Farm Land--Will Bring Laborers to Develop Ranches.

News of great activity in real estate and prospective development in the farming area comes from Galiano Island. Within a very short time a number of settlers will be invited to come to the island and to help in the cultivation of the large amount of valuable land there. The most recent purchase has been that of Max Enke of the farm which hitherto belonged to J. W. Sinclair. This comprises 200 acres of land of a very productive character owing to the moisture with which it is invested from the surrounding sea. There is three quarters of a mile of foreshore along the land which renders it more valuable still. Four acres of this property is sown with potatoes and it is eminently suitable for ranching purposes for which in a large measure its new owner intends using the land. Some time ago Max Enke purchased the Seabrook farm, comprising 485 acres, for the sum of \$25,000. This property adjoins the latest purchase which he has made from Mr. Sinclair and the same investor is now negotiating for the purchase of third property adjoining each of the others and known as Baker's Farm, comprising 100 acres. Max Enke is a new arrival on these shores and in his possession now over \$100,000, which he is anxious to invest in the neighborhood. When his purchases on Galiano are complete he will be the holder of over 1,000 acres of land. He has stated his intention of bringing laborers from Europe to cultivate the land and there is every indication that his development in the near future in Galiano Island.
