ade, probably upon Japanese scouts.

at Saigon, the dispatch adds:

Paris, April 22.-The French govern- Admiral Jonquieres. The meeting ment has been officially informed that the two admirals was most cordial Admiral Rojestvensky's squadron left Kamranh bay to-day. The destination of the squadron is unknown.

The Russian transports Keil, Jupiter, Kniaz, Gortsohakoff and Kitat are still Officials here maintain that the gravity of the Franco-Japanese issue over neutrality has been considerably relieved by the vigorous measures which France that Vice Admiral Rojestvensky is sufadopted. Emperor Nicholas's order to fering from dysentery, but otherwise the Vice-Admiral Rojestvensky to leave officers and men of the fleet are in the French waters are the direct result. To best of health. have the Emperor give a decisive order THE SAILING OF it is held here signals that such order must be obeyed, but that Vice-Admiral Rojestvensky has exercised his personal discretion as to observing orders emanating from the Russian admiralty concerning French waters off the coast of

Heretofore Kamranh bay has been an unknown spot, although an adventurous Frenchman, the Marquis de Munville four German transports, seven Danish has established a small colony there. The marquis uses this colony as a base for hunting expeditions and for carrying on considerable trade with coast points. Except for this primitive settlement, Kamranh bay has no inhabitants, no heard heavy cannonading off Kamranh bay during the evening of April 22nd. custom house and no officials of any kind.

The Journal Des Debats to-day says: "While Japan's anxiety is naturally great over the approach of the Russian squadron, yet Japanese public opinion seems to have given proof of too much emotion and sensation. The facts concerning the presence of the Russian. squadron in Kamranh bay have not been exactly known, and nothing indicated our intention to disregard known facts. Nevertheless Japan shows great public effervescence. The Japanese press comments freely and public meetings have been organized to denounce our supposed hostile attitude towards Japan. It is surprising that such things should occur to see street opinion substituted for dip-

lomacy."
The general tone of press comment here is mild with a few unimportant exceptions, such as to-night's issue of the REPORTED FIFTEEN sible Patrie, which makes a vio lent attack upon Japan.

ARE NOW CARRYING OUT THE REGULATIONS.

Suigon, French Cochin-China, April 22.—The chief of staff here, acting under orders from Governor-General Beau, to-day inspected four Russian steam-ships, which were about to load a large cargo of coal. The French authorities refused to permit the vessels to take on cargo, and only allowed them an amount of coal strictly necessary for the vesse to go to the nearest port.

JAPANESE MINISTER ON FRENCH INACTIVITY.

ion, April 22.-Baron Hayashi, paper has nothing to support the report the Japanese minister to Great Britain, and no credence is placed in it. said to the Associated Press to-day:

note to the French government could be after the battle of August 10th, but retermed a protest. It simply calls the cently undergoing repairs at Haifong, attention of France to Vice-Admiral Tonquin, had joined Admiral Rojestven-Rojestvensky's long stay in Kamranh sky at Kamranh bay previous to the sailbay. Unfortunately, discussion of the ing of the Russian squadron on April matter occupied considerable time before 22nd, is denied here. the French government secured the rid-dance of their unwelcome guests. Japan JAPS WILL ASSEMBLE knows that the French government not an active party to the harboring of the Russian second Pacific squadron, bu the inactivity of France has reached a serious stage, and we would have been perfectly justified in attacking the Russian squadron in Kamranh bay. The three-mile limit, under which France defends her inactivity, was the distance recognized as shore waters when three was the maximum range of guns. The range of big guns to-day is 20 miles. Should Admiral Togo attack the Russians in Kamranh bay, many projectiles would fall on the French shore. This is one of the points which was under dis

Saigon, French Cochin-China, April 23.—The complete Russian fleet left | Kamranh bay on April 22nd at midday. Russian fleet was engaged with a portion of the Japanese squadron.

Before the departure of the squadron Vice-Admiral Rojestvensky visited Admiral Jonquieres. No Russian officers or They had expected Nebogatoff's detachment of the squadron to arrive at any moment. The natives were highly ased with the great rise in the price of provisions, owing to the Russian's

No news has been received here of the Russian squadron since it left Kamranh bay. The officers and men of the Russian fleet have expressed themselves as confident of their ability to meet any situation which may arise. It is stated that Admiral Rojestvensky is suffering from dysentery.

PROBABLY FIRED

ON JAPANESE SCOUTS Paris, April 23 .- The minister of colonies officially confirms the report of the

departure of the Russian squadron from Kamranh bay. The Russian admiral

Loubet and most of the ministers, ex ept Foreign Minister Deleasse, to attend the unveiling of the Gambetta tatue at Bordeaux, has resulted in a eriod of calm after the excitement at anding the Delcasse incident and the

The foreign office was open briefly at oon, when it was said that no confirmation had been received of the reported cannonade outside of Kamranh bay during the night of April 22nd, the day Admiral Rojestvensky left the coast of

ment and the departure of President

The officials here discredit the report that the crew of the interned Russian cruiser Diana, now at Haifong, Tonvious to his sailing, as the official advices show that a daily roll call is made or the purpose of preventing the depar ture of the crew. The neutrality incident is officially considered closed. That M. Delcasse did not accompany

the unsettled status of the Moroccan question, and to the possibility of further omplications over neutrality.
