#### THE COURIER, REGINA, SASE., WEDNESDAY, FEBRUARY 5, 1919.

Regina and District | A LIFETIME IMPORTANT CHANGES

COMING IN CITY ACT

Several additions to properties exempt from municipal taxation in Prevented by "Fruit-a-tives" Saskatehewan cities are provided in a draft bill which has been The Wonderful Fruit Medicine printed as an amendment to the City act and which is being con-

City act and which is being con-sidered by the legislative assembly. Should the bill become law in its present form, "the buildings with ground attached owned and occu-ticke effect on February 10. For years, I suffered with these dreaded diseases, trying all kinds of treatments until I was told I was inpied by a branch of the Great War Veterans' association will in future be exempt from taxation in Sas-katebewan cities. Provision is al-so being made for the exemption

so being made for the exemption of all property owned by the city, 50c a box, 6 for \$2.50, trial size 250 whether used for civic purposes or oot. In the past this latter exemption applied only to city property ased for civic purposes.

### Income Tax \*

The bill proposes for the purpose of municipal income tax to differ-

antiate between the single and married. The present law allows exemption of the first \$1,000 of income for all persons, but this is to be substituted by the following: The income of every unmarried person up to \$1,000 and of every married person up to \$1,500.
