LESS OF IT.

"What do you think of the spitting law?" asked a reporter of one of the law's guides.

"It's all right," responded that official. "You can notice a change in the looks of the sidewalk already, and the gangs that used to hang around the corners and spit until it was hard to safe one's shoes without a boot, are getting careful. They would have to get some of Mr. Carnegie's thousands to pay their fines if they were caught at the old habit. That one dollar per spit acts as a kind of a gag."

The reporter looked into the gutter for a second and passed along.

A STORMY VOYAGE.

NEW YORK, March 25.—After being battered by fierce seas and tossed about by terrific gales the French line steamer La Gasconne arrived today from Havre two days overdue. On the morning of the 21st the wind came out of the northwest and soon became violent. The gale lasted throughout the following three days, and several times the steamer was obliged to turn tail and run before the fury of the blast. Life boats were smashed, skylights and ventilators shattered and the rafts damaged beyond repair.

Members of the Sons of Temperance divisions in this city are requested to meet at the Temperance Hall, Charlotte street, at one o'clock tomorrow, to attend the funeral of the late Thomas Brundage. The funeral will leave the house at 1.30 p. m.

THOSE ST. JOHN BILLS.

Discussion as to the Street Railway Franchise in Carleton.

FREDERICTON, March 25.—The St. John ship-building bill was before the committee of the legislature this morning and was agreed to, with a clause added to provide that the bonus given should be proportionate to results. This was to prevent any company from securing the bonus without corresponding benefit to the city.

The bill to empower the city to take over the electric light plant in Carleton was agreed to, but that part of it which would empower the city to grant a franchise to a street railway company was opposed by Col. McLean and J. M. Robinson, who claimed that the St. John Street Railway Co. had that franchise. Hon. Dr. Pugsley proposed that the bill be made to read that the St. John Railway Co. be compelled to lease their franchise to any company that would build a road in Carleton. The representatives of the city and of the railway company will meet and perhaps agree to a compromise.

Several other committees met, but no business of importance was done. The house is waiting for the committees, and therefore adjourned immediately after meeting this afternoon.

FREDERICTON.

FREDERICTON, March 25.—Louis Lavine, an Assyrian, is on trial, charged with receiving stolen goods.

The residence of Wilmot Chase, of Upper Sheffield, was destroyed by fire Saturday morning. Insurance \$200.

James P. Hayes, of St. Mary's, charges that a man named John Gibson, living lately at Millville, purloined a gold watch and purse belonging to Mrs. Hayes, while lodging at the house on Friday night. Gibson has not yet been found.

Harry Waugh will return to the Klondike in April.

At the Baptist church Sunday evening the Rev. J. D. Freeman baptised two candidates; and at the Free Baptist church Rev. F. C. Hartley baptised nine.

THE LATE BISHOP.

The funeral on Friday Morning Will Be an Imposing Tribute.

The body of the late Bishop Sweeney will be brought to the city from Silver Falls between four and five o'clock this afternoon, and placed in the parlor of the palace, which is now being suitably draped with purple and black by Undertaker Fitzpatrick.

The body will remain there until Thursday evening, when it will be removed to the cathedral. Many prominent clergymen from other parts of Canada have signified their intention of being present at the funeral ceremonies, which will take place on Friday forenoon at 9.30 o'clock. Interment will be made in the new Catholic burying ground.

Extensive preparations are being made for the obsequies, which will be fitting to the dignity of the dead ecclesiastic. All the bishops of the lower provinces, including Archbishop O'Brien, of Halifax, and probably a number from Quebec will be present. All the priests of the diocese will also be here.

Friday morning Solemn Pontifical Requiem mass will be celebrated by His Lordship Bishop O'Brien, of Halifax, and Bishop Rogers of Chatham. News of the bishop's death was cabled to Rome yesterday.

SALE OF YACHTS.

A number of yachting men gathered at Chubb's corner today at the sale of the sloop Rose and the yacht British Queen by auction. Before the sale opened, Mr. McGuigan, brother of the former owner of the Rose, protested against the sale of the entire boat, claiming one half was his. The auctioneer guaranteed a good title or money refunded. Bidding was very slow, starting at the even \$100. Dr. Merrill finally secured her for \$175.

The yacht British Queen was then put up, but the highest bid obtained was \$50, and the boat was withdrawn.
