BENGAL IS URGED TO BOOT OUT BRITISH

Rebellion is Openly Preached in India and
Natives 'Told Pig's Fat is Used in
Cartridges—Take Japan as
Model.

LONDON, Oct. 1.—The "coronation"
of Mr. Surendra Nath Banerjee, a De-
ccan editor, as King of India, has been
followed by fresh examples of sedition
in Bengal.
The Bengalis are preaching some-
thing not to be distinguished from
armed resistance to the British Em-
pire with impunity. A speech deliv-
ered to railway strikers at Asanole, after
Mr. Banerjee's "coronation," repeats
all the falsehoods which fired Indian
disloyalty on the eve of the Mutiny in
an insidious form. The Mohammedans
are told that the British are refining
sugar with pig's blood, while the Hin-
dus are warned that cow's blood is
being used, the suggested object in
either case being to cause defilement.
The resemblance with the stories
circulated on the eve of the Mutiny,
that cartridges for the new rifle were
prepared with pig's fat, is disconcert-
ing, and the aim of the men who are
spreading these tales is apparently the
same.
DROVE OUT LORD CURZON.
The people are further assured that
the seditious Bengalis have succeeded

SIR THOMAS LIPTON AGAIN AFTER THE COVETED CUP

NEW YORK, Sept. 30.—Sir Thomas
Lipton arrived here on the steamer Celtic.
He is accompanied by Colonel B. F. D.
Neill, who was with him in this coun-
try in 1890, and by his secretary, John
Westwood.
What Sir Thomas may do or attempt
to do in the matter of another chal-
lenge for the America's cup is, of
course, not known here. He wants an-
other try for the great yachting trophy.
Individually, however, in the matter of
a challenge, he is not exactly power-
less, but can do nothing personally.
The cup must be challenged for by a
club whose position as a yachting or-
ganization is recognized. Sir Thomas,
in all probability, will have a talk with
some of the leading members of the
New York Yacht Club, but the talk or
conferences possibly will be
guided to Sir Thomas' future movements
in the cup controversy and a challenge
may or may not result. It must not be
forgotten that the only expression
from the New York Yacht Club in re-
sponse to the question of accept-
ing a challenge is submitted to it as a body.

ROLLER SKATING SKATING RACE.

There has been considerable discus-
sion during the summer among the lo-
cal speed maniacs as to the best long
distance skater in the city. This talk
has at last brought about a race which
will be held on the plan of the star-
day bicycle races, and which should
prove conclusively who is the best man
among the amateur roller skaters.
The race will be run off four nights
in succession, commencing Wednesday
and concluding on Saturday night.
The evening competitors will start even,
skating for one hour's time.
The distance covered by each man
will be recorded after each evening's
race, the man skating the greatest
number of laps to be awarded the de-
cision.
The race is to be strictly amateur,
and entries will be received for it up
to Wednesday at noon.
The prizes will be as follows:
First prize, \$100.
Second prize, \$50.
Third prize, \$25.
Fourth prize, \$10.
Fifth prize, \$5.
Sixth prize, \$2.
Seventh prize, \$1.
Eighth prize, 50c.
Ninth prize, 25c.
Tenth prize, 10c.
Eleventh prize, 5c.
Twelfth prize, 2c.
Thirteenth prize, 1c.
Fourteenth prize, 50c.
Fifteenth prize, 25c.
Sixteenth prize, 10c.
Seventeenth prize, 5c.
Eighteenth prize, 2c.
Nineteenth prize, 1c.
Twentieth prize, 50c.
Twenty-first prize, 25c.
Twenty-second prize, 10c.
Twenty-third prize, 5c.
Twenty-fourth prize, 2c.
Twenty-fifth prize, 1c.

BASEBALL

LADY BINGEN WON 215 CLARE.
HALIFAX, N. S., Oct. 1.—It again
took Lady Bingen no more than three
heats to dispose of the field, including
the American entries, Dr. Band and
X-Ray, in the fast pacing class today.
She paced three miles without skip or
faller of any description, winning with
ease in "14 3/4, 14 1/4, 14 3/4. She
called her own and the former Hal-
ifax track record in the second heat,
and had she been extended to a finish,
could no doubt have paced close to "12.
Second and third moneys went to Dr.
Band and X-Ray, the former of whom,
although outpaced at times by both
Lady Bingen and Rex gelding, was second
at the wife in each instance. The lat-
ter was bad gated and unable to carry
his brush far enough.
The other event on the card, the "40
trot and pace, resulted in another
straight track victory for Meadowvale,
and when it is considered that this pro-
vincial-bred and owned performer has
taken first money in no less than three
events, and that Lady Bingen's victory
brings a number of firsts to the credit
of her stables up to six, it is clearly

seen that the bulk of the money
is not, as so many people fear-
ed, going into American pockets.
In fact visitors from the south have
but two wins today.
Meadowvale while pressed harder
than in the previous races, had speed
in reserve, and was again able to draw
away when it looked as if one or more
of the closely bunched field might be
able to go out in front.
Summa:
240 Trot and Pace.

WINNERS OF BALLOON RACE

PARIS, Oct. 1.—A semi-official an-
nouncement of the result of the com-
petition for the James Gordon Bennett
cup for international aeronauts was
given out tonight as follows:
Winner, Lieutenant Frank P. Lahm,
of America, with the balloon United
States.
Second, Signor Von Villier, of Italy,
with the balloon Elf.
Third, Count De La Vaulx of France,
with the balloon Walhalla.
A definite and official announcement
of the result will not be issued until
verification that the rules of the con-
test were carried out has been ob-
tained.
LONDON, Oct. 1.—Lieutenant Lahm
descended about one mile inland at
Desmone Farm, Fylde, Lancashire. He
said he had been carried by way of Cuen
across the channel to Chichester. The
actual crossing took from 11 o'clock
at night until 1 o'clock in the morning.
He then passed to the northward, but
finding that he was being carried to-
ward the open sea, he decided to
alight.
Lieutenant Lahm's balloon was in
the air for 23 hours.

UNHAPPY PHYSICIANS

A Large Decrease in English
Business.

LONDON, Oct. 1.—According to The
British Medical Journal, the incomes of
English doctors have fallen off 25 per
cent, since 1900. Among the causes
named for the falling off is the gradual
dying down of the epidemic of mif-
cenzia, which caused 19,000 deaths.
There has been a subsidence of 1,300 in
other epidemic sicknesses, and the de-
crease of winter ailments is attribut-
able, it is thought, to the mildness of
recent winters.
