Sunday School Convention. The third annual meeting of the S. S. Convention of the N. B. E. Association, met with the church at Point de Bute, on Sept. 19th, at 2.30 p. m. President Keirstead, opened the convention, a good number of delegates from schools near at hand were present, particularly from Dorchester and Sackville parishes. A short time was spent in prayer; then the programme was taken up. First, reports from the parish superintendents. Dea Palmer reported from Dorchester parish. He humbly acknowledged that he had not attended to his duty as he should, but promised to do better in the future. He mentioned other evens Keirstead, reported from Dorchester Cape and Woodville. Rev. S. W. Keirstead followed, speaking of the need of work in his parish and chances for organizing schools. He made special mention of the need for a school at Woodville. We trust our good deacons will be on the lookout for these places soon. Rev. A. H. Lavers spoke of the need of more earnest work being done by the lay brethren. Bro. Robert Hines, of country Harbor, also should interest themselves and hold up the Sunday school work before the parents. Rev. A. H. Lavers responded, telling how often he had been to Sunday school the last summer. Bro. C. F. Knapp took all the blame on the clergy, saying it was their duty to preach the gospel; and the lay brethren to look after the Sunday school work. Superintendent of Sackville next reported. He had visited the Sunday school in the parish, reviewed the schools at Centre Village, also at Cherryvale; spoke of need of work at Midge; was delighted with the work done in Rockport school, said they were zealous Bible students, reported nine Sabbath school members in the parish. Lavers spoke, saying that the day Bro. Sears visited Midge school the school had not made a fair show.

Openings at 8.30. Prayer by Bro. C. E. Knapp. Then proceeded to appoint Parish officers for the ensuing year: Deacon Palmer, Dorchester Parish. C. E. Hall, Moncton. Daniel Balar, Coverdale. James Evans, Shediac. William Tingley, Westmorland. Mrs. W. C. Atkinson, Weldon & Howard. Rev. C. W. Sables, Campbellton Par. S. Blakney, Hillsboro. W. Dawson, Hillsboro. Miss Mary Bacon, Hopewell. Elisha Robinson, Harvey. Mrs. M. F. Fillemore, Alma. Rev. N. A. J. Blakney, Newcastle.

A report was read by the secretary from Parish superintendent of Hopewell, sister Mary Bacon. This was an excellent report and very encouraging, as it spoke of two new schools being organized and of excellent work being done in the others. Much credit was given to help received from inter-denominational convention in the parish. Several reports were received from W. C. Atkinson, Parish Superintendent for the parishes of Weldon and Harcourt. She had but one school to report, the Grangeville school. Hoped to be able to report another next year; also stated that on other sections of this field there are a few children of Baptist parents attending other schools. We were sorry not to see our sister present with us in our convention. Mrs. Blakney reported from the parish, namely, Wateride and Alma. She was unable to get a statistical report from Alma. We know that we shall have a better report from that field next year. This sister did not have knowledge of her appointment until late in the year. Delegates from different schools next reported. Bro. Robinson from Sackville school. Bro. Maxwell from Rockport school spoke of lack of interest on the part of one of their deacons. Bro. William Tingley reported from Point Debutte school; spoke of the time when we should hold our S. S. schools, and thought it best not to have it in connection with other services. Deacons reported from other sections of the work done by the primary class teachers in the Point Debutte school. Thus ended this interesting and profitable session.

Evening Session. The meeting opened at 7. The following officers were appointed:—Rev. S. W. Keirstead, President; Bro. Obed Vincent, Vice-President; Rev. S. H. Corwood, Sec'y-Treasurer; Rev. N. C. to grasp the truth; and several of them expressed a desire to be Christians. Words of commendation were spoken by Rev. Mr. Lavers, G. E. Knapp, and others. The thanks of the convention was tendered to our brother for his estimable work in teaching the lesson. 2nd. Paper read by Deacon Palmer, on Temperance—including Tobacco—was very ably and forcibly presented—showing much ability and careful preparation, especially as to statistics, which seemed to horrify us as we heard the amount of money expended on these two vices. The paper was discussed by Bro. C. E. Knapp and Rev. S. W. Keirstead, and others. Laid on the table until morning. 3rd. Paper by Bro. A. C. Sears. Subject, "Difficulties in the way of Sabbath School Work." Our brother took a very broad view of his subject, and struck heavy blows at the great evils of our day—such as Sabbath-breaking, parents' carelessness in bringing up their children, sin of lying in bed on Sabbath morning, frivolous and wicked amusements, and indulgence in by Christians, etc. As the hour was late this paper had to be tabled until morning session. The excellent music furnished by the choir helped to make the evening a very enjoyable one.

MORNING SESSION. Opened at 8.30. Prayer by Bro. C. E. Knapp. Then proceeded to appoint Parish officers for the ensuing year: Deacon Palmer, Dorchester Parish. C. E. Hall, Moncton. Daniel Balar, Coverdale. James Evans, Shediac. William Tingley, Westmorland. Mrs. W. C. Atkinson, Weldon & Howard. Rev. C. W. Sables, Campbellton Par. S. Blakney, Hillsboro. W. Dawson, Hillsboro. Miss Mary Bacon, Hopewell. Elisha Robinson, Harvey. Mrs. M. F. Fillemore, Alma. Rev. N. A. J. Blakney, Newcastle. Resolved, That the secretary have power, through correspondence, to appoint officers in Parishes where there is none, and to make any changes found necessary. The duty of these officers is to visit all the schools in their parishes as often as they can bring rest and to organize schools wherever there is a shadow of an opportunity, by all means in their power; to promote interest in Sabbath school work in their parish; also to report to our annual convention either in person or by written report, the work done by them during the year, and the state of the schools in their parish. We do hope that good work will be done by these brethren and sisters during the coming year, and that they will come to us next year rejoicing, telling of the work done for Christ. Deacon Palmer's paper was next taken from the table and discussed. Resolved, That paper be received and sentiments endorsed. A paper was read by Bro. C. E. Knapp. Subject: "Why we should be teachers and workers in the Sabbath School." This paper was excellent and full of tender, christian encouragement to workers. Resolved, That it be gratefully received and published as widely as possible. Resolved, That a vote of thanks be given the secretary for his work during the year. A vote of thanks was also given to the president, and to the people of Point Debutte who so kindly cared for us. Resolved, That we adjourn, to meet one day previous to meeting of Association, at the same place. If arrangements can be made, if not, somewhere near. We rejoice to note that throughout this association there is a growing interest in Sunday school work, and we pray that it may be still more manifest next year. S. H. CORWOOD, Sec'y of Convention.

Hundreds of men who are "impossible to fit"— few at a time—have lately become acquainted with our new sort of ready-made clothing, better every year.

We confess we're rather impatient; we should like more, hundreds of them to realize all of a sudden

that here are the sort of clothes they try to get of their tailors every season—with varying success. But bear this in mind, how slow all growth has been since the world began, and so—we wait and keep on advertising. Only this let us say: This thing that we desire so much is as much for your good as for ours.
