This modern malady has become dreaded not more for its direct fataity than for the weakness of body and mind it leaves behind it. Prolonged debility, permanent prostration, melancholy and suicide follow La Grippe. For this disease there is no remedy superior to Ayer's Cherry Pectoral.

"The best remedy for la grippe that I now of is Ayer's Cherry Pectoral."

"My wife and five children were taken down with is gripps, while the disease was so widely prevalent. I doesd them with Ayer's Cherry Pectoral, and before using quite two bottles my family was restored to health. I know of several obstinate cases of the same complaint which were also cured by this remedy."

Pastor Browne and his wife have met with a most cordial welcome to his new field. The genuine enthusiasm of this service was truly indicative of this. It takes time and energy to conduct recogni-tion services, but they most surely pay

The P. E. Island Baptist Conference.

The P. E. Island Baptist Conference held their regular quarterly meeting with the church at Belmont (Lot 16) on Tuesday and Wednesday March 1st and 2nd. Tuesday evening meeting was devoted to Foreign Missions. C. W. Jackson presentroreign missions. C. W. Jackson presented in a brief address the Missionary Spirit of the gospel. Pastor E. A. MacPhee with the aid of a map gave an instructive talk on the work of the Maritime Convention in India. Pastor Spur followed with the "Present needs of India" and Pastor Price. President of the Conference enforced the remarks already made. Wednesday morning dawned wild and blustering, but des ing dawned wild and Dissering, but des-pite the storm the following churches re-ported: Belmont, Tyne Valley, Summer-side, Bedeque, Tryon, Cavendish, North River, Alexandra, East Point. Pastors Corey and Browne were both unavoidably detained at home. The church reports were favorable. Several fields reported candidates for baptism awaiting the spring. East Point has recently determined upon the erection of a new church building. An application from the Murray River field for the ratification of an appeal to the Home Mission Board for a grant was read. As this demand exceeded any previous grant to this field the Conference instructed a committee consisting of Pastors Corey, Spurr and MacPhee, who were to hold a Spurr and MacPhee, who were to hold a recognition service for Pastor Carter on that field, to enquire into the needs of the church and recommend them to the Board for as large a grant as they deemed

Recognition Service

On the evening of March 7th a recognition service for the new pastor was conducted by the North River Church. A large and representative gathering of the congregation was assembled.

Rev. W. H. Warren preached from I Thes. 5: 12, 13. He made practical application of the thoughts that the pastor is a worker, an overseer, and an admonisher, and urgently set forth the duty of the church "to know" the pastor to "esteem" him and to be at peace among themselves. The discourse was as thoroughly profitable, as it was timely and interesting. The senior deacon of the church, Jacob Baine gave the hand of fellowship to the pastor and his wife. The Moderator of the association, being absent on account of illness, the welcome to our Island work was extended by Rev. J. C. Spurr. Being the longest settled in our midst his welcome

Three small children of Mr. and Mrs. Wm. Comer, of St. Louis, Mo., were fatally burned Wednesday. They had been left alone by the parents, who were attending a funeral. It is thought the fire was caused by an explosion of kerosene.
